WHEN WAS THE FIRST TIME?

You pressed your face to the glass and exclaimed that 4-letter word, "COOL."
You hear the growl, rumbling ever closer like a brewing storm.
Suddenly, the new Mustang bolts into view.

**Your soul enticed. Your heart stolen.**

On the street or at the track, under sun’s light or dusk’s veil...
... it can happen anywhere.
Anytime.
SHELBY GT500®

- 540 hp, 510 lb.-ft. torque, 3.55 gear ratio
- Driving dynamics optimized by SVT
- Intercooled 5.4L V8 with a supercharged boost
- Shelby thunder piped out back
- Twin-disc clutch
- Goodyear® F1 Supercar 19" tires (coupe)
- Wheels milled, both sides
- Heat extractor on aluminum hood
- Unique splitter and Gurney Flap spoiler
- All-new inside: 3D aluminum panels, racing-stripe shifter, plus Alcantara® leather trim on seats and steering wheel
- Exclusive red, white and blue MyColor® array for gauges

GT500 is a registered trademark of Carroll Hall Shelby Trust.
Alcantara is a registered trademark of Alcantara S.p.A., Italy.

fordvehicles.com
Hall-of-fame racing legend Carroll Shelby didn’t invent the Mustang – he ignited it. In 1964, he applied his Ford AC Cobra learnings to the first Ford Mustang. End result? A performance-packed pony: the 1965 Shelby GT350. Carroll Shelby still thinks a Mustang is meant to go faster. So he teamed with Ford’s Special Vehicle Team (SVT) to deliver the most powerful GT500® ever.
This cockpit is an all-new blend of world-class craftsmanship, premium materials and the latest technology. A seamless, soft-touch skin wraps the one-piece instrument panel. The floor console now runs in a smooth, flat arc for consummate shifting, while the shifter itself is a perfect fit for the palm of your hand. Controls glow Ice Blue.™ For added intensity, genuine aluminum panels are optional. Voice-activated Ford SYNC® is available. The center stack is revamped. And restyled, bolstered seating is expertly detailed, right down to the stitching. Hop in.
MUSTANG GT

- GT and GT Premium models available
- Proven — and improved — 315-hp 4.6L SOHC 3-valve V8 under hood
- POWERED BY FORD engine cover
- New body with unique front end cheats the wind: both a lower drag coefficient and reduced aerodynamic lift
- HID headlamps optional
- Fog lamps housed in grille, on either side of exclusive-to-GT dark chrome Pony
- All-new wide-spoke 18” wheels standard
- Larger, bright rolled 3.5” tips on dual exhaust
- Available ball-shaped manual shifter made of polished aluminum

DONUTS WERE NEVER SWEETER

Drop the clutch and do it up. With the addition of cold-air induction to the recalibrated V8, output jumps to 315 and the redline bumps to 6000. There’s a throatier roar to match — wider dual-exhaust tips shout it out. For extra emphasis, that signature V8 rumble is specially piped directly into the cabin. Suspension components — including springs, stabilizer bars, struts, shocks, control arms, brakes and steering — are fine-tuned for a more engaging and balanced GT experience. And while stability control comes standard, you can switch it to sport mode or shut it down completely. The all-new TrackPack¹ is the ultimate option: Developed for enthusiasts by enthusiasts, you’re treated to SVT stabilizer bars and lower control arms, a front shock-tower crossbrace, performance brake pads, a 3.73 rear-axle ratio, 19” summer treads and lots more. Have at it.

¹Available Summer 2009.

fordvehicles.com
MUSTANG V6

- V6 and V6 Premium models available
- 210 hp with plenty of low-end torque
- Rear stabilizer bar for improved handling
- AdvanceTrac® electronic stability control
- 4-wheel disc ABS and All-Speed Traction Control
- Ambient Lighting in 7 hues available for sill plates, footwells, cupholders and door pockets
- Antenna relocated to rear
- V6 Pony Package option is loaded: a bright Pony flanked by satin chrome on the grille, fog lamps in the lower fascia, 18” polished wheels, stripes, rear spoiler and more

SEDUCES FROM EVERY ANGLE

The sweeping beltline, kicked-up haunches, pronounced curves, chiseled arches, power dome hood, and even the hidden washer-fluid jets make for a cleaner, leaner machine. On top of some striking new rims – now wrapped in 17” or optional 18” rubber – Mustang V6 sports a unique grille and front fascia for a sleek look all its own. Notice is served, with heaps of fun.

Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

fordvehicles.com
MUSTANG CONVERTIBLE

- A true convertible designed and engineered from the ground up, maximizing structural rigidity
- Low-profile, power top Z-folds out of sight and has 3 layers: weatherproofed outside, tailored inside, sound-deadened in between
- Top exterior is composed of vinyl or cloth (GT500 and GT Premium models)
- Top available in a new shade – Stone

UNABASHED & UNINHIBITED

GLASS ROOF MUSTANG

- Optional on V6 Premium and GT Premium models
- Tinted, high-performance safety glass helps keep the cabin cool and deflects ultraviolet radiation – defending the integrity of interior trim and fabric
- Includes a manual, retractable, built-in shade
- A transparent acoustic layer helps reduce noise, vibration and harshness

EUPHORIA – 24/7/365

It’s awesome. The available, see-through glass roof presents a lush panorama of constantly changing skies and cityscapes. Wherever, whatever the weather. Enjoy the show.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Contact your local Ford Dealer for details and a copy of the limited warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. Contact your Ford Dealer for details regarding the manufacturer’s limited warranty and/or a copy of the FLA product limited warranty offered by the accessory manufacturer.

Ford Licensed Accessories.
MUSTANG TECH

NAVIGATION SYSTEM AND SIRIUS TRAVEL LINK™ feature
voice activation. This GPS-linked option offers Route Guidance —
reading upcoming street names aloud, detecting traffic incidents,
and offering alternatives. Upon request, Travel Link provides
lowest fuel prices, real-time traffic, weather, sports info and movie
listings.1 You’ve also got nearly 10 gigs of storage space available,
meaning you can manage your music with the Jukebox, rip up to
2400 songs, and even load pics to your home page. All good.

REAR VIEW CAMERA is an optional
hi-tech helper. A full-color image of what’s
in back is projected in front of you — on the
rearview mirror or available Navigation screen.
An overlaid grid adds a directional assist.

FORD SYNC — developed with Microsoft® — is a voice-
activated, customizable media system that integrates your
Mustang with most Bluetooth®-enabled phones and digital
media players. Plug your player into the USB port and press
a button on the steering wheel: tunes are at your command.
For cellular use, enter the car with a compatible and paired
Bluetooth-enabled phone: SYNC knows you’ve arrived? This
available system also provides direct-connect 911 Assist,3
and you can request a Vehicle Health Report as you see fit.
Check out SyncMyRide.com for details.

MYCOLOR® is available to make your Mustang experience even livelier: Turn the
key and you’re greeted by a sweeping motion of the cluster needles, as well
as staged halo lighting. Then you can select from 125 color combos
for the full complement of gauges. Quite the eyeful.

1Real-time traffic monitoring available in select markets. Some features are unavailable while driving. Service not available in Alaska or Hawaii. See your
Ford Dealer for details. “SIRIUS,” the SIRIUS dog logo and related marks are trademarks of SIRIUS Satellite Radio Inc. Not available in AK or HI. 2Driving
while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.
Microsoft is a registered trademark of Microsoft Corporation. The Bluetooth word mark is a trademark of the Bluetooth SIG, Inc. 3The vehicle’s electrical
system (including the battery), the wireless service provider’s signal, and a connected mobile phone must all be available and operating for 911 Assist to
function properly. These systems may become damaged in a crash. The paired mobile phone must be turned on, connected to SYNC, and the 911 Assist
feature enabled in order for 911 to be dialed.

- Variable-interval windshield wipers
- Vinyl top (convertible only)

Always wear your safety belt and secure children in the rear seat. *SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

New Vehicle Limited Warranty. We want your Ford Mustang ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/50,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion Perforation Coverage – all with no deductible. Please ask your Ford Dealer a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. Comparisons based on 2009 competitive models (Sports Car class), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations.

THE FACTS ABOUT FORD.

Drive quality.

FACT: On top of earning 8 Consumers Digest “Best Buy” awards for 2009 models, Ford Motor Company is unsurpassed by Toyota and Honda when it comes to quality.¹

Drive green.

FACT: Ford builds the most fuel-efficient midsize sedan in America (Fusion Hybrid: 41 mpg city)² and the most fuel-efficient SUV on the planet (Escape Hybrid: 34 mpg city).³

Drive safe.

FACT: No other car company offers you more vehicles that have received both 2009 IIHS “Top Safety Pick” and NHTSA 5-Star crash test ratings.⁴

Drive smart.

FACT: The voice-activated Ford SYNC® customizable media system and EcoBoost™ V6 engines are just a few of the innovative technologies you can only find in a Ford.

Visit fordvehicles.com to learn more.

¹Based on cumulative survey data of 2008 MY Ford and competitive owners at 3 months of service in 3 surveys conducted 9/07–5/08. ²EPA-estimated 23 mpg city/34 hwy., combined 27 mpg, for Fusion S I-4 automatic; 41 mpg city/36 hwy. for Fusion Hybrid. Actual mileage will vary. Midsize class per R.L. Polk. ³Based on unadjusted city fuel economy from EPA (10/08) and VCA (5/08). 2009 EPA-estimated 34 mpg city/31 hwy. for Escape Hybrid FWD. Excluding vehicles built for Mazda. ⁴Based on NHTSA 5-Star ratings for all 4 crash test categories. Star ratings are part of the U.S. Department of Transportation’s Safercar.gov program (www.safercar.gov).
