FINANCING OPTIONS

Toyota Financial Services (TFS) has developed a number of ways to help you get behind the wheel of a new Scion. See below for highlights of some of our programs. For additional financing and lease options, as well as more information on those listed here, please visit www.scion.com and www.scion.com/purelease.

SCION PURE LEASE*

With a Scion Pure Lease, you may enjoy lower monthly payments than you would if you were financing the purchase of your vehicle. You also have the flexibility of driving a new vehicle every few years, without having to worry about selling your vehicle at the end of the lease.

RETAIL FINANCE PLAN*

If you plan to keep your Scion for awhile and drive more than 15,000 miles a year, the Scion Solutions Retail Finance Plan can be a great choice. With Competitive Annual Percentage Rates and flexible payment options, start clearing out a space in the garage.

SCION MILITARY REBATE PROGRAM*

In appreciation of all you do, Scion is offering a special $1000 rebate to eligible active duty and reserve personnel who finance or lease a new Scion through a Scion dealer and Toyota Financial Services.

COLLEGE GRADUATE FINANCE & REBATE PROGRAMS*

Congratulations on graduating from college! To celebrate, if you finance or lease through a participating Scion dealer and TFS we're offering qualified recent grads $1000 towards the purchase of a new Scion, no money down, no monthly payments for the first 90 days on finance contracts. If you would prefer a lease, Scion Solution College Graduate Lease offers $1000 towards the lease of a new Scion and waived security deposit.

iFi RETAIL AND LEASE PROGRAM*

This retail and lease program is specifically designed for customers with limited credit histories.

- 110% Retail Advance and 100% MSRP Advance for Lease
- $25,000 Maximum Amount Financed or Net Capitalized Cost
- Down Payment or Cap Cost Reduction is the lesser of 10% of MSRP or Selling Price of Vehicle
- Tiers/ Zones 1 thru 5 are eligible (depends upon FICO score)

Please contact your local Scion Dealership for details.

**Covers normal factory scheduled service. Plan is 2 years or 25K miles, whichever comes first. The new Scion vehicle cannot be part of a rental or commercial fleet, or a livery or taxi vehicle. See plan for complete coverage details. See participating Scion dealer for details. **

For more information on Scion’s Pure Price® Experience, contact your local Scion dealer.

See plan for complete coverage details. See participating Scion dealer for details or call 1-866-707-2466.

The advertised price is the price you pay, when the dealer tells you how much the car costs, that’s what the car costs.  DEALERS HAVE A MENU OF OPTIONS FOR PARTS, ACCESSORIES, FINANCING, AND SERVICE WITH CLEAR PRICING.  SAVES TIME — NO BACK AND FORTH.  YOU KNOW ALL THE PRICING UP FRONT.

For more information on Scion’s Pure Price® Experience, contact your local Scion dealer.

Proper vehicle maintenance is important to help ensure the dependability of your vehicle. That’s why all new Scions now feature a standard 2-year or 25,000-mile complimentary, worry-free maintenance plan with 24/7 roadside assistance. **

1. Covers normal factory scheduled service. Plan is for 2 years or 25k miles, whichever comes first. The new Scion vehicle cannot be part of a commercial fleet, or a luxury or taxi vehicle. See plan for complete coverage details. See participating Scion dealer for details. Offer is valid only in the continental U.S. and Alaska and is not valid with any other offer.
2. HD Radio™ Technology manufactured under license from iBiguity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio™, and "HD" logos are proprietary trademarks of iBiguity Digital Corporation.
3. APM® is registered trademark of Apple, Inc. All rights reserved. (1) Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, and driver steering input affect vehicle stability and the effectiveness of VSC. Drivers should maintain safe distances at all times.
4. Performance of Bluetooth® compatible phones will vary based on phone software version, coverage, and your wireless carrier's. All components other than normal wear and maintenance items. Tire life may be substantially less than 20,000 miles, depending upon driving conditions. Performance tires are expected to experience greater tire wear than conventional tires.
5. Minimum running ground clearance.
6. Performance times are expected to vary according to various factors such as weather, road conditions, and tire types.
7. Tire Life expectancy may be less than 50,000 miles, depending upon driving conditions.
8. 2013 EPA estimated MPG figures rating. Actual mileage will vary.

Standard equipment, options, accessories, and other information is subject to change.
