FINANCING OPTIONS

Scion Solutions products and services powered by Toyota Financial Services (TFS) provide a number of ways to help you get behind the wheel of a new Scion. See below for some of TFS' Scion Solutions programs. For additional financing and leasing options, promotions and information, please visit www.scion.com/promotions.

SCION PURE LEASE* **

Scion Pure Lease can help you get into your new Scion. Well-qualified Scion customers are eligible for our best lease terms and may also have their security deposits waived. With leasing, you may enjoy a lower monthly payment than you would if you were financing the purchase of your Scion. You also have the flexibility of driving a new vehicle every few years without having to worry about selling your vehicle at the end of the lease term.

RETAIL FINANCE PLAN/SPECIAL APRs*

If you plan to keep your Scion for a while and drive more than 15,000 miles a year, the Scion Solutions Retail Finance Plan can be a great choice. Well-qualified customers are eligible for competitive Annual Percentage Rates or special rates on select models making it easy to get the Scion you want.

SCION MILITARY REBATE PROGRAM*

Scion appreciates the men and women of the U.S. military for their service and dedication to our country. To thank them, Scion is offering a \$500 rebate to eligible and qualified active duty and reserve personnel, recent retirees and veterans honorably discharged within one year of service, household members of qualified military personnel living at the same address, and Gold Star family members.

SCION COLLEGE GRADUATE FINANCE & REBATE PROGRAMS

Congratulations on graduating from college! To celebrate, if you finance or lease through a participating Scion dealer and TFS, we're offering qualified recent grads a \$750 rebate toward the purchase of a new Scion and no monthly payments for the first 90 days on finance contracts. If you would prefer to lease, Scion Solutions extends the same college rebate on the lease of a new Scion and waives the security deposit.

iFi RETAIL AND LEASE PROGRAM*

Have limited credit history? You might think financing or leasing a new Scion isn't possible. But TFS, through participating Scion Dealers, has a program designed to help those with limited credit history qualify for credit and take off in a new Scion without a co-applicant or co-lessee. Not only may the iFi program help put you behind the wheel of a new Scion, it may help build a healthy credit profile.

* Other restrictions apply. Offer subject to change without notice. For full details, visit any participating Scion Dealer or go to Scion.com. Offer is valid only in the Continental US and Alaska and is void where prohibited.
** On approved credit. Not all applicants will qualify. Term, conditions and restrictions apply. See participating dealer for details. Finance charges accrue from contract date on 90 day deferred first payment; deferral not available in Pennsylvania or in connection with the preferred option finance plan. Must pay sales tax. Void where prohibited by law.
