Camaro LT Coupe in Hyper Blue Metallic (extra-cost color) with available RS Package and other available features.

Performance without pretense. Style sculpted to perfection. You’re driving a legend.

IT'S ALL ABOUT THE DRIVE. At the heart of it, Camaro is sheer exhilaration. “It’s without reservation that we voted the Camaro back onto the 10Best list for 2017,” declares Car and Driver.

With its low, lean proportions and a stunning profile, Camaro has a presence that can be seen in every sculpted body panel and felt in every turn. The architecture is lightweight and ultra-strong, helping the tuned 4-wheel independent suspension to provide an incredible connection to the road.

This robust foundation enables a series of performance choices that range from a turbocharged 4-cylinder to a supercharged V8 ZL1 that is stunning the sports car world.
Left to right: Camaro 2LT Coupe in Nightfall Gray Metallic, Camaro 2LT Convertible in Hyper Blue Metallic (extra-cost color), Camaro 1LT Coupe in Red Hot, Camaro SS 1LE Coupe in Summit White, and Camaro ZL1 Coupe in Black. Vehicles shown with available features.

**2.0L TURBO.** With 275 horsepower and 295 lb.-ft. of torque, this driving force delivers unexpected levels of performance and has an EPA-estimated 31 MPG on the highway.1

**3.6L V6.** The V6-powered Camaro LT balances power with fuel-saving technology to offer 335 horsepower and 284 lb.-ft. of torque and has an EPA-estimated 29 MPG highway with the available 8-speed automatic.

**SS.** A 455-horsepower 6.2L LT1 V8 brings to life the most powerful Camaro SS to date. With 455 lb.-ft. of torque, 0 to 60 comes around in 4 seconds flat. Available Magnetic Ride Control™ and a dual-mode exhaust system add to this astonishing blend of ride and response.

**ZL1.** The supercar Camaro. With a supercharged 650-horsepower V8 and track-tuned chassis, ZL1 is more than an American performance legend. With the newly available ZL1 1LE Extreme Track Package, it is the fastest, most capable Camaro ever.

**1LE.** Chevrolet developed the 1LE Package in 1988 to make Camaro more competitive in SCCA Showroom Stock road racing. Only a handful were built, but a legend was born. Today’s 1LE Package is as accomplished on the street as it is focused on the track. Choose from V6 1LE, SS 1LE or ZL1 with the new ZL1 1LE Extreme Track Package.
Camaro LT blends exhilaration and innovation into one epic package. LT features include 18-inch aluminum wheels, LED daytime running lamps and halogen projector-beam headlamps. Add the RS Package for a Camaro that’s even harder to resist.

Camaro 2LT Coupe in Nightfall Gray Metallic with available RS Package and other available features.
1. PHYSICAL PERFECTION. This is Camaro — the pure driver’s car — in possibly its most spectacular form. The Camaro Convertible features modular underbody bracing to allow the same precise, nimble handling as the Coupe.

2. SHOW-CAR SMOOTH. The retracted top fluidly disappears under the fully automatic hard tonneau cover, maintaining the body’s crisp lines.

3. SKY-HIGH TECH. The top-up silhouette respects the iconic fastback image of the Coupe. But when it’s time to play, the fully electronic top lowers with the touch of the key fob or the single push of a button — even when driving up to 30 mph.
INTERIOR DESIGN

PRECISE COMFORT IN EVERY ERGONOMIC DETAIL. From a flat-bottom steering wheel and perfectly placed gear shifter to the aggressively bolstered seats, everything comes together seamlessly for the purpose of driving dynamics. Premium materials surround you, including available heated and ventilated leather-trimmed seating surfaces. Rotating dials provide quick, convenient climate control.

Camaro 2LT interior in Jet Black with available Ceramic White Interior Accent Trim Package and other available features.
LIGHT ’EM UP. Interior spectrum lighting, standard on 2SS and ZL1 and available on 2LT, courses around the radio, door trim and cup holders, transitioning between 24 selectable colors. The color spectrum reacts to changes in drive modes, the lighting gives off an ambient nighttime glow, and there’s even a pulsing light show mode you can select when parked.
1. **GO CONFIGURE.** An available 8-inch diagonal reconfigurable gauge cluster allows you to personalize the information you need and desire.

2. **TRACK YOUR G FORCE.** The available Head-Up Display projects onto the windshield color digital readouts for vehicle speed, selected gear, g force, tachometer, compass, outside temperature, turn-by-turn navigation\(^1\) information and more.

3. **GET CONNECTED.** The Chevrolet MyLink\(^2\) Radio with an available customizable 8-inch diagonal color touch-screen includes Bluetooth\(^3\) audio streaming for select phones, plus support for Apple CarPlay\(^4\) and Android Auto\(^5\) for compatible phones.

4. **HUG A ROAD.** The advanced Driver Mode Selector tailors up to eight vehicle attributes using four selectable modes: Tour, Sport, Snow/Ice (excludes V6 1LE) and Track (Track mode is exclusive to Camaro SS and ZL1 and models with the available V6 1LE Performance Package).

---

\(^1\) Map coverage available in the United States, Puerto Rico and Canada. \(^2\) MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Camaro does not include CD player. \(^3\) Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. \(^4\) Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. \(^5\) Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply.

1 **MULTILINK FRONT SUSPENSION.** Featuring aluminum components and MacPherson struts, this suspension is engineered for precision at every turn.

2 **INDEPENDENT REAR SUSPENSION.** Tuned specifically for each Camaro model, this advanced rear suspension provides both a refined ride and responsive driving dynamics.

3 **455-HP 6.2L V8 ENGINE.** Standard on SS, this engine features Direct Injection, Variable Valve Timing and Active Fuel Management™ (automatic transmissions only) for impressive efficiency.

4 **6-SPEED MANUAL TRANSMISSION.** Includes paddles to activate Active Rev Matching for smooth shifts and enhanced performance capability.

5 **BREMBO® 4-WHEEL DISC BRAKES.** Track-tested 4-piston front and rear performance brakes are standard on Camaro SS, providing precise braking while helping to resist fade.

6 **DUAL-MODE EXHAUST.** Standard on ZL1 and available on all other models, the dual-mode exhaust changes sound with each of four driver-selectable modes.

*Requires V8 engine and 6-speed manual transmission.*
MODERN ARCHITECTURE. Advanced techniques helped make this Camaro lighter by at least 200 lbs. versus the fifth gen. The 4-wheel independent suspension, designed with aluminum components, was engineered to be 21% leaner.

CAN YOU HANDLE IT? Electric Power Steering brings road feel and response to a higher plane. Up to four selectable driver modes offer distinct experiences. And the smaller, tighter proportions and quick steering ratios contribute to a nimble, controlled feeling with every turn of the wheel.
455-HP 6.2L LT1 V8. The small block V8, a performance masterpiece delivering a massive 455 lb.-ft. of torque, is the driving force behind Camaro SS.

SS. THE HEART AND SOUL OF CAMARO PERFORMANCE.

At left: Camaro SS Coupe in Hyper Blue Metallic (extra-cost color). At right: Camaro LT Coupe in Garnet Red Tintcoat (extra-cost color). Vehicles shown with available features.
Camaro 2SS Convertible in Garnet Red Tintcoat (extra-cost color) with available features.
1. 6-Speed Manual Transmission. The manual shifter is wrapped with dimpled leather, a unique cap for SS and a grip that’s ideal for every driver. Active Rev Matching† anticipates downshifts with throttle blips for smooth, precise shifting.

2. BREMBO® Brakes. This high-performance 4-piston all-disc system is capable of taking Camaro SS Coupe from 60 mph to a complete stop in 117 feet.

3. Magnetic Ride Control. The track-ready credentials of Camaro SS are further enhanced by available Magnetic Ride Control that stiffens the suspension for high-performance driving while helping to maintain a smooth ride.

4. Dual-Mode Exhaust. This available performance exhaust system lets you refine the roar of the 6.2L LT1 V8 engine within each of its four driving modes – Tour, Sport, Track and Snow/Ice.

† Requires V8 engine and 6-speed manual transmission.

WANT MORE INFO? GO TO CHEVY.COM/CAMARO
1LE. CAMARO, ONLY MORE SO.
More engineering. More aero. More downforce. More of everything that connects driver to asphalt. 1LE is the Camaro with that extra edge. Recognize 1LE by its Satin Black hood, front splitter and 3-piece rear blade spoiler.

V6 1LE. Offering track-capable performance, the Camaro V6 1LE is also a precisely balanced daily driver. FE3 suspension components from Camaro SS include dampers, rear cradle mounts, ball-jointed rear toe links and stabilizer bars. Lightweight 20-inch forged-aluminum wheels with run-flat summer-only tires1 pair with Brembo® 4-piston front brake calipers, a limited-slip differential and a standard track cooling package. With its aggressive suspension tuning and a dual-mode exhaust, the 335-horsepower V6 1LE delivers an estimated 0.97 g in cornering grip for consistent lap-after-lap times on the track.

SS 1LE. A track-tuned chassis and suspension take the 455-horsepower SS to an even higher level. The FE4 chassis system includes Magnetic Ride Control dampers, special springs and stabilizer bars. With an Electronic Limited-Slip Differential, a dual-mode exhaust, Brembo® 6-piston front brake calipers and Goodyear Eagle® F1 SuperCar® summer-only tires, lateral acceleration exceeds 1 g.

1 Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer.
The 650-horsepower supercharged ZL1 is simply one of the most phenomenal executions of design, performance, aerodynamics and technology in Camaro history. Call this one a game changer.

“It’s quite likely that the ZL1 is the most rewarding means ever created to move leaves off a racetrack,” says Car and Driver. ZL1 with the available 10-speed automatic is the convergence of all the pride, passion, performance and technology Chevrolet engineers put into Camaro. And the available Electronic Limited-Slip Differential, combined with Performance Traction Management, takes control and balance to an astounding level.

If you seek the ultimate mastery of all-around excellence straight from the showroom, take a close look at ZL1.
THE POWER BEHIND THE NUMBERS.
The 650-horsepower supercharged LT4 V8 is backed by a 6-speed manual transmission featuring Active Rev Matching. Or choose the available 10-speed paddle-shift automatic that helps maintain optimum rpm levels for maximum responsiveness and quicker lap times.

TESTED AND PERFECTED. A specially sculpted front fascia enhances airflow and works together with the carbon-fiber composite hood extractor to pull heat from the engine compartment and reduce lift. Large outboard cooling ducts push air to the brakes, while air splitters and a rear spoiler create downforce at higher speeds.

EVERY DETAIL MATTERS. Standard 20-inch forged-aluminum wheels are wrapped in sticky Goodyear Eagle® F1 SuperCar® G:2 summer-only tires². Large Brembo® 6-piston front and 4-piston rear brake calipers give ZL1 impressive stopping power.

PUT A SPIN ON IT. Custom launch control keeps the rear tires spinning at the correct speed and allows you to adjust both your launch rpm and wheel slippage through the Driver Information Center. A line lock feature lets you lock the front wheels to enable the rear wheels to spin, warming tires for maximum grip at the drag strip.

1 Based on initial vehicle movement. Coupe models with available 10-speed automatic transmission. 2 Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer.

650 HP HORSEPOWER
SKID PAD 1.02 G
MAXIMUM LATERAL ACCELERATION (COUPE) 3.5 SECONDS¹
0 TO 60 MPH (AUTOMATIC COUPE)
IT'S ZL1 — AND THEN SOME.

THE MOST TRACK-CAPABLE CAMARO. EVER. Could this be overkill? Well, the new 2018 Camaro ZL1 1LE has speed to burn. In preliminary testing, ZL1 1LE was 3 seconds faster around the General Motors Milford road course than Camaro ZL1. It's the ultimate track-day Camaro. It's not for everyone — but it just might be for you.

PUSHING GRAVITY AROUND. ZL1 1LE slips through the wind with a carbon-fiber rear wing, as well as specific air deflectors and new dive planes on the front fascia. The high wing helps generate approximately 300 pounds of downforce, enabling the car to drive faster and stay planted in the turns.

ZL1 RULES THE RING. Germany's Nürburgring 12.9-mile North Loop, or Nordschleife, is the world's benchmark for all-out performance testing. ZL1 1LE set a new class record there in April 2017.
1. **THE PINNACLE OF CAMARO POWER.**

With its 650-horsepower supercharged V8, ZL1 (and ZL1 1LE) is the most powerful Camaro ever. Advanced technologies include titanium intake valves for reduced mass. Direct Injection, available Active Fuel Management\(^1\) and Variable Valve Timing contribute to this super-tuned performance package.

2. **RECORD YOUR RIDES.**

The available Performance Data Recorder\(^2\) logs videos of your driver sessions, along with real-time performance data, onto an SD memory card so you can analyze your technique and help improve your driving abilities.

3. **THE PERFORMANCE? GRIPPING.**

Brembo\(^\circledast\) 6-piston front and 4-piston rear brakes give ZL1 1LE track-ready capability. New, lightweight forged-aluminum wheels are an inch wider, front and rear, than standard ZL1 wheels and are paired with the exclusive Goodyear Eagle\(^\circledast\) F1 SuperCar\(^\circledast\) 3R summer-only tires.\(^3\)

4. **QUICK-CHANGE ARTIST.**

ZL1 1LE suspension components are designed for quick changes at the track for optimal performance — and a quick return to street settings when the track day ends. These include racing-derived, lightweight Multimatic DSSV\(^\circledast\) dampers for exceptional control. Front ride height, camber plates and stabilizer bars are adjustable.

---

\(^1\) Automatic transmission only. \(^2\) Available on 2LT Coupe with V6 1LE Performance Package and Convenience and Lighting Package. Available on SS with SS 1LE Performance Package. Available on ZL1 Coupe. \(^3\) Driving on wet roads, in heavy rain, or through standing water with competition-oriented tires may cause hydroplaning and loss of control. Use extreme caution and drive slowly on wet roads. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer.
1. **CUSTOMIZE IT.** For 2018, Chevrolet offers a range of accessories and custom features designed to give your Camaro just the look you’ve been searching for. Select from a variety of exterior accent colors to give the sixth-generation Camaro even more of a performance edge. Custom grilles, an aero-shaped front splitter and a high-wing rear spoiler are among the accessories you can add.

2. **ACCESSORIZE IT.** From a color-coordinated engine cover (shown) to a tuned performance exhaust, it’s easy to accessorize your ride. Go to chevroletaccessories.com for the full story.

3. **VISUALIZE IT.** At thecamarosix.com, you can check out accessories to personalize your ride. Then prepare to encounter the Camaro you brought to life.
**BRING CAMARO SIX TO LIFE.**
Our app invites you to download and experience the 2018 Camaro right on your smartphone or tablet. You can also explore trim levels, colors and wheels, and take a 360-degree spin around the interior.

**SHARE YOUR EXPERIENCE.** Now that you've built a legend, check out the specs of your freshly built Camaro. Then save your design for later or share it online with your friends.

# SELECT VEHICLE FEATURES

## CAMARO 1LS
- 2.0L 275-hp turbocharged 4-cylinder engine with Direct Injection and Variable Valve Timing
- 6-speed manual transmission
- Dual-outlet stainless steel exhaust with bright tips
- Driver Mode Selector with 3 modes: Snow/Ice, Tour and Sport
- OnStar Guidance Plan® with limited service trial, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling Minutes)
- StabiliTrak® Electronic Stability Control System with Traction Control
- LED daytime running lamps
- Teen Driver technology
- Rear vision camera
- 18" Silver-painted aluminum wheels
- Keyless Open and Start
- Chevrolet MyLink® Radio with 7-inch diagonal color touch-screen display, featuring Android Auto™ and Apple CarPlay™ compatibility
- Auxiliary input jack and 2 USB ports
- Bluetooth® wireless technology® for select phones
- SiriusXM Satellite Radio® All Access Package with 12-month trial subscription
- Driver Information Center with color display
- Leather-wrapped flat-bottom steering wheel with steering wheel-mounted controls for audio and cruise
- Front sport buckets with 8-way power driver-seat adjuster and 6-way power passenger-seat adjuster
- Front reading lamps and interior dome lamp with illuminated entry
- OnStar Basic Plan® for five years includes select features of the myChevrolet Mobile App® including remote start (if equipped), door lock or unlock, honk your horn and flash your lights, and send destinations to your Chevrolet MyLink® navigation screen (if equipped). Limited OnStar services include Advanced Diagnostics and Dealer Maintenance Notification
- OnStar 4G LTE and built-in Wi-Fi® hotspot for up to seven devices; includes data trial for 3 months or 3 GB (whichever comes first)

## CAMARO 1LT
- In addition to or replacing 1LS features, 1LT includes:
  - 8-speed paddle-shift automatic transmission
  - Remote vehicle starter system

## CAMARO 2LT
- In addition to or replacing 1LS features, 2LT includes:
  - Chevrolet MyLink® Radio with 8-inch diagonal color touch-screen display, featuring Android Auto™ and Apple CarPlay™ compatibility
  - Bose® premium 9-speaker (Coupes) or 7-speaker (Convertibles) audio system
  - Dual-zone automatic climate control with individual climate settings for driver and front passenger, dedicated passenger controls and outside temperature display
  - Heated and ventilated leather-trimmed seats for driver and front passenger
  - Universal Home Remote

## CAMARO 1SS
- In addition to or replacing 1LS features, 1SS includes:
  - 6.2L 455-hp V8 engine with Direct Injection and Variable Valve Timing
  - Limited-slip rear differential
  - Brembo® performance 4-wheel disc brakes with ABS, 4-piston front and rear
  - High-intensity discharge headlamps with LED signature and automatic exterior lamp control and LED daytime running lamps
  - 20" Bright Silver-painted 5-spoke aluminum wheels (20" x 8.5" front, 20" x 9.5" rear)
  - Enhanced Driver Information Center with 8-inch diagonal reconfigurable color display
  - Driver Mode Selector with 4 modes: Snow/Ice, Tour, Sport and Track

## CAMARO 2SS
- In addition to or replacing 1SS features, 2SS includes:
  - Head-Up Display with color digital readouts for vehicle speed, selected gear, g force, audio system information, high beam indicator, compass, outside air temperature, turn signals, tachometer, vehicle messages, turn-by-turn navigation information and phone information
  - Bose premium 9-speaker (Coupes) or 7-speaker (Convertibles) audio system
  - Interior spectrum lighting with 24 different color selections
  - Memory Package: 2-position memory for 8-way power driver and front passenger seats, outside mirrors
  - Dual-zone automatic climate control with individual climate settings for driver and front passenger, dedicated passenger controls and outside temperature display
  - Heated and ventilated leather-trimmed seats for driver and front passenger
  - Aluminum accents on door trim and shifter cap
  - Illuminated doorsill plates
  - Wireless charging®

## CAMARO ZL1
- In addition to or replacing 2SS features, ZL1 includes:
  - Launch control
  - Magnetic Ride Control suspension
  - Brembo® performance 4-wheel disc brakes with ABS, 6-piston front and 4-piston rear
  - RECARO® performance seats with Jet Black leather appointments and Red accents and sueded microfiber inserts
  - Sport alloy pedals

**NEW VEHICLE LIMITED WARRANTY**

**5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY** Every 2018 Chevrolet Camaro comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

**3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY** Chevrolet will warrant each 2018 Camaro from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

---

1 Maintenance visits must occur within two years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details.

2 Whichever comes first. See dealer for details.

3 Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations.

4 Requires active OnStar service, compatible device, factory-installed remote start and power locks. Data rates apply. Visit onstar.com for details and system limitations.

5 Visit onstar.com for coverage map, details and system limitations.

6 Cargo and load capacity limited by weight and distribution.
**IMPORTANT INFORMATION**

**CHEVROLET OWNER CENTER (MY.CHEVROLET.COM)** Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

**ENGINES** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**ASSEMBLY** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**ONSTAR** OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

**A NOTE ON CHILD SAFETY** Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.

**IMPORTANT WORDS ABOUT THIS CATALOG** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Sports Car segment and latest available competitive information. Excludes other GM vehicles.

**TIRES** Camaro SS and ZL1 models, as well as models with available 1LE Performance Packages, come equipped with summer-only tires¹ that tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires. This type of damage is not covered by the GM New Vehicle Limited Warranty. See your dealer for proper tire selection.

**SPARE TIRE INFORMATION** There is no standard jack or spare tire in the 2018 Chevrolet Camaro. Some vehicles have a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

**CHEVROLET OWNERSHIP EXPERIENCE** Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a dealer, test drive, compare vehicles, get current incentives, get obsolescence from technological changes. Unless otherwise noted, all information. Excludes other GM vehicles.

**CHEVROLET.COM/SAFETY** Chevrolet is committed to keeping you and your family safe — from the start of your journey to your destination. That’s why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

**GMMOBILITY.COM (1-800-323-9935)** GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

**THE BUYPower CARD** The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There’s no limit on the amount you can earn or redeem, and your Earnings don’t expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors (“GM”) is responsible for the operation and administration of the Earnings program.

---

¹ Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer.
