

THE NEW 2021 F-150®

THE NEW 2021 FORD F-150®

TOUGH GETS TOUGHER.

That's right. Two new trucks just joined the team. Introducing the new F-150 TREMOR™ and the most off-road capable, best performing F-150 RAPTOR® ever. They're adding more off-road toughness to the toughest, most productive Ford F-150 lineup ever. Plus, we're introducing more technology and productivity features, including available Continuously Controlled Damping (CCD) suspension and available first-in-class² Onboard Scales and Smart Hitch. You have great power of choice, with 8 trim levels from the XL to the RAPTOR, 7 engines, 3 cabs, 3 box lengths, and loads of capability and appearance packages. Best-in-Class available towing and payload numbers are backed by legendary Built Ford Tough® brawn, durability and longevity. The more you have to do, the more ways the new 2021 F-150 can help you get it done. It's cutting edge, hardworking, and out in front.

Horsepower, torque, payload and towing are independent attributes and may not be achieved simultaneously. For additional information, see your Ford Dealer.

1. Best-selling trucks for 44 years based on 1977-2020 CY total sales. 2. Class is Full-Size Pickups under 8,500 lbs. GVWR. 3. Max. towing of 14,000 lbs. available on XL SuperCab™ 8' box 4x2 and SuperCrew 4x2 configurations with the available 3.5L EcoBoost® engine and available Max. Trailer Tow Package (not shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. 4. Max. payload of 3,325 lbs. available on XL Regular Cab 4x2 with available 8' box, available 5.0L V8 engine and available Max. Trailer Tow and Heavy-Duty Payload Packages (not shown). Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle. 5. Max. horsepower based on the available High-Output 3.5L EcoBoost engine on RAPTOR (not shown). Horsepower rating based on premium fuel per SAE J1349® standard. Your results may vary. 6. Max. torque based on the available 3.5L PowerBoost™ engine. Calculated via combined performance of the engine and electric motor(s) with peak battery power. The calculations utilize SAE J1349 engine results and Ford electric motor dyno testing. Your results may vary.

BRILLIANT STRENGTH.

It's an old adage: choose brains or brawn, you can't have both. Yet Built Ford Tough® trucks have combined them for decades. The 2021 Ford F-150® lineup takes the partnership even further. Visionary technology and massive capability work in unison to make life easier and to outsmart difficult challenges. This isn't brains vs. brawn. No, this is brains *and* brawn – a unique combination of features and capabilities that can help you be more productive whether you're on the clock or off. Here's proof.

FORD POWER-UP SOFTWARE UPDATES.

From new features to minor software enhancements, we can continuously keep your truck on the forefront of technology. Software updates² are delivered wirelessly – directly to your vehicle via standard FordPass™ Connect or Wi-Fi. So we can make sure your truck has the very latest without missing a beat.

XL REGULAR CAB 4x4. Agate Black Metallic. Available Chrome Package. Available equipment.

¹ 6000-series aluminum alloy. ² FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

XLT SUPERCAB™ 4x4. Space White Metallic. Available Chrome Package. Available equipment.

TRAIL-READY WORKHORSE.

TREMOR

Rocky trails, dusty two-tracks and muddy bogs – the new Ford F-150® TREMOR™ pickup is built for these. In fact, it's built to play hard and work hard. Off-road capability is in abundance thanks to a beefed-up equipment list that includes an off-road suspension with monotube front and twin-tube rear shocks, unique control arms and front knuckles, and an available 4.10 front axle with TORSEN® differential. Outside, TREMOR gets knobby 33" General™ Grabber™ all-terrain tires, a front bash plate, skid plates, dual exhaust and more. The 3.5L EcoBoost® engine puts 400 max. horsepower and 500 lb.-ft. of max. torque at your disposal. Choose from electronic shift-on-the-fly 4WD, or the available 2-speed automatic Torque-On-Demand® 4WD with Hi-Lock transfer case. Then, up your off-roading prowess even further with the available Trail Control™ with Trail 1-Pedal Drive and Trail Turn Assist. You're always ready to rock in the new F-150 TREMOR.

TREMOR SUPERCREW® 4x4. Iconic Silver Metallic. Available equipment. (Max. Payload 1,670 lbs. and Max. Towing 10,900 lbs., when properly equipped with the available Trailer Tow Package.)
1. Suspension travel increase compared to commonly equipped 4x4 models with integrated hitch and available FX4 Off-Road Package. **2.** When equipped with the available Trailer Tow Package. Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. **3.** Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle.
Horsepower, torque, payload and towing are independent attributes and may not be achieved simultaneously.

UNIQUE TO TREMOR

Approach angle	27.6°
Breakover angle	21.2°
Departure angle	24.3°
Track (front/rear)	68.5"/69.1"
Suspension travel (front/rear) ¹	+1.5"/+1.0"

ROCK CRAWL MODE
Locks the rear axle, turns off stability and traction control, reduces throttle response, adjusts shift points, and displays the available 360-degree camera view.

10,900-LB. MAX. AVAILABLE TOW RATING²
Makes it easy to bring your recreational gear – camper, boat, UTVs – along for the ride. With a max. available payload rating³ of 1,885 lbs., TREMOR is also built to haul.

3 EXCLUSIVE TREMOR INTERIORS
All feature Black seating with Active Orange accents and special stitching. Plus, every F-150 TREMOR gets 6 upfitter switches in the overhead console for auxiliary equipment.

RAPTOR

OFF-ROAD BEAST.

Yes, the Ford F-150® RAPTOR® is back. And it is built for THIS. You're looking at the most off-road capable, best performing RAPTOR ever. This new, 3rd-gen RAPTOR is packed with Built Ford Tough® engineering innovations inspired by the wild demands of desert racing – where drivers not only speed over rough terrain, but “may” even jump and catch air. The new 5-link rear suspension with Panhard rod is designed to deliver more control and torque to the ground in high-speed desert driving situations. Suspension travel has increased this year. Plus, it has longest-in-class 24" rear coil springs. Adjust the sound of your ride with the class-exclusive active valve exhaust featuring 4 modes: Quiet, Normal, Sport and Baja. Then pick from 7 Selectable Drive Modes, which also include a Baja mode, to dial up the ride of your life. Straight out of the factory.

HIGH-OUTPUT 3.5L ECOBOOST® ENGINE

450 Max. HP¹ | **510** lb.-ft. Max. Torque¹

EPA-Estimated Fuel Economy Ratings for all F-150 engines can be found on the inside back cover of this brochure.

RAPTOR SUPERCREW® 4x4. Code Orange Metallic. Available RAPTOR 37 Performance Package. Available equipment.

Professional driver on a closed course. Always consult the RAPTOR supplement to the owner's manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear.

CLASS-EXCLUSIVE 37" TIRES

Get the available RAPTOR 37 Performance Package for 17" forged aluminum bead-lock capable wheels and the only 37" factory-fitted tires in the class.

NEXT-GEN FOX™ RACING SHOX™

Electronically controlled FOX Racing Shox with Live Valve™ Technology are sport-tuned when you step up to the available RAPTOR 37 Performance Package.

NEW 5-LINK REAR SUSPENSION

Extra-long trailing arms better maintain axle position on rough terrain. This setup also offers 15" max. rear wheel travel – 25% more than a 1st-gen RAPTOR.

RAPTOR 37 PERFORMANCE PACKAGE

Rhapsody Blue leather-trimmed RECARO® front seats with Alcantara® inserts are exclusive to this available package. You also get carbon fiber interior accents and more.

¹ Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously.

NOW ENTERING HANDS-FREE ZONE.

Road-trip drivers rejoice – available Ford BlueCruise¹ has arrived. It's our Ford Co-Pilot360™ Technology designed to help reduce the stress of some divided highway driving situations. Ford BlueCruise builds upon available Intelligent Adaptive Cruise Control with Stop-and-Go, Lane Centering and Speed Sign Recognition. It allows you to operate the vehicle hands-free, while being monitored by a driver-facing camera to make sure you're keeping your eyes on the road. This feature is compatible on prequalified sections of divided highways called Hands-Free Blue Zones that make up over 100,000 miles of North American roads. In addition to Ford BlueCruise, there's an available hands-on Lane Centering Mode that works on most roads with lane lines and can help keep the vehicle centered in the lane. Ford BlueCruise availability varies by model. Please see the Specifications for details.

LIMITED SUPERCREW® 4x4. Admiral Blue/Light Slate interior. Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. Ford BlueCruise is a hands-free highway driving feature. Only remove hands from the steering wheel when in a Hands-Free Blue Zone. Always watch the road and be prepared to resume control of the vehicle. It does not replace safe driving. See owner's manual for details and limitations. Requires purchased 3-year connected service plan with regular map updates, FordPass App and modem activation.

TOW BIG OR GO HOME.

This Ford F-150® SuperCrew® can tow an available Best-in-Class 14,000 lbs.¹ across town or cross-country. We combine Ford towing technology with renowned Built Ford Tough® engineering to deliver massive capability. In fact, every truck in the lineup is born to tow. You can use the Rear View Camera with Dynamic Hitch Assist to center the tow ball under the trailer coupler. Once properly hitched, tap into the available Tow Technology Package features: The Smart Trailer Tow Connector can warn you if trailer lights are out, and shows you trailer battery status. It can even alert you to potential trailer theft via the FordPass™ App² on your smartphone if your trailer is disconnected while you're away from the vehicle. After initial set up, Pro Trailer Backup Assist™^{3,4} simplifies truck steering to back up your trailer while Trailer Reverse Guidance^{3,4} camera views and screen graphics help you maneuver. Trailer on.

360-DEGREE CAMERA TECHNOLOGY⁴

Available to help you clearly see all sides of your vehicle when maneuvering in tight spaces.

TRAILER REVERSE GUIDANCE⁴

This available feature provides camera views and steering guidance graphics to assist in backing up and parking a trailer.

KING RANCH® SUPERCREW 4x2. Agate Black/Stone Gray Metallic two-tone. Available Max. Trailer Tow Package. Available equipment. (Max. Payload 1,917 lbs. and Max. Towing 14,000 lbs. when properly equipped with 6.5' box, available 3.5L EcoBoost® engine, and available Max. Trailer Tow Package.)

1. Max. towing of 14,000 lbs. available on XL SuperCab™ 8' box 4x2 and SuperCrew 4x2 configurations with the available 3.5L EcoBoost engine and available Max. Trailer Tow Package (shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. **2.** FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. **3.** Please consult your owner's manual or Pro Trailer Backup Assist Quick-Start Guide for information on setting up your trailer. **4.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations.

NEW TO F-150: CONTINUOUSLY CONTROLLED DAMPING.

Confident control is especially important when towing or hauling heavy loads. The available Continuously Controlled Damping (CCD) suspension is now here to help. Its advanced suite of sensors constantly reads the road and the driver's inputs 500 times per second, monitoring the truck's suspension motion, body movement, powertrain, steering and braking. With this real-time data, the system can adjust suspension damping in milliseconds to help keep your truck smoothly on its course. The system also provides pothole mitigation, which senses a wheel dropping into a pothole and stiffens the shock absorber to reduce the amount of wheel drop, which in turn reduces the harshness as the tire strikes the other side. CCD is designed to enhance your towing experience, providing agile response with a smooth and confident ride across a large range of loading conditions.

BEST-IN-CLASS

14,000 LBS.

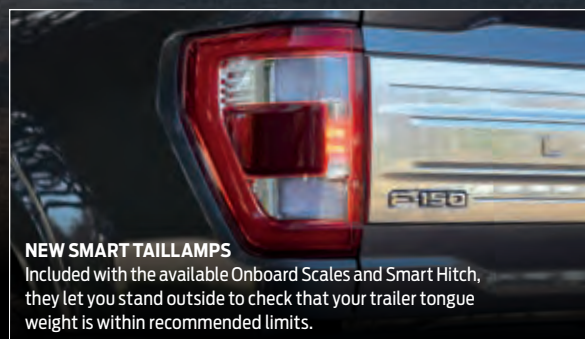

MAX. AVAILABLE TOWING¹

TOW EVEN SMARTER.

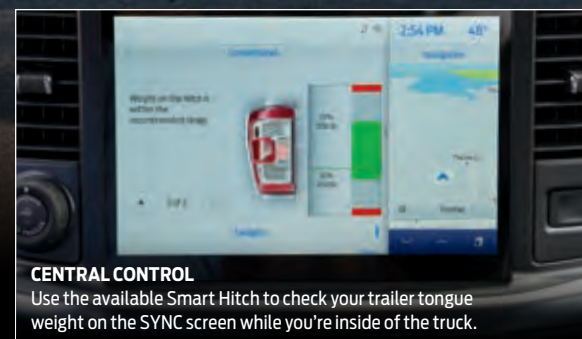

NEW SMART HITCH.

The F-150® pickup has long offered technologies to help make towing easier.¹ Here comes another – available new Smart Hitch. Activate it before you hook up your trailer and follow the on-screen steps to see your approximate trailer tongue weight. So you can know before you go that your trailer weight is distributed correctly. Smart Hitch is engineered for use with weight-carrying and weight-distribution conventional, as well as gooseneck and 5th-wheel hitches. You can view the feature 3 ways: with the Smart Taillamps, on the SYNC® screen, and with the FordPass™ App.² You'll find it's first in its class – and only on the new 2021 Ford F-150.

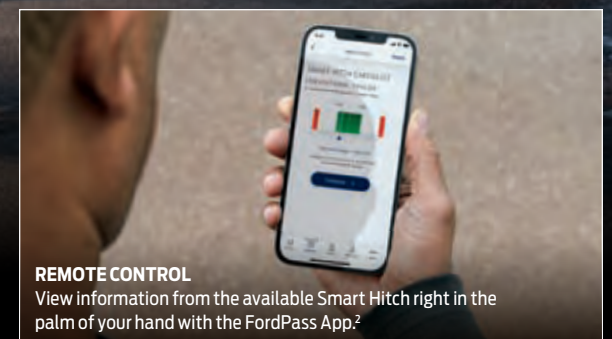

NEW SMART TAILLAMPS

Included with the available Onboard Scales and Smart Hitch, they let you stand outside to check that your trailer tongue weight is within recommended limits.

CENTRAL CONTROL

Use the available Smart Hitch to check your trailer tongue weight on the SYNC screen while you're inside the truck.

REMOTE CONTROL

View information from the available Smart Hitch right in the palm of your hand with the FordPass App.²

LIMITED SUPERCREW® 4x4. Smoked Quartz Metallic Tinted Clearcoat.³ Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. 2. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates

may apply. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. 3. Additional charge.

CARRY THAT WEIGHT.

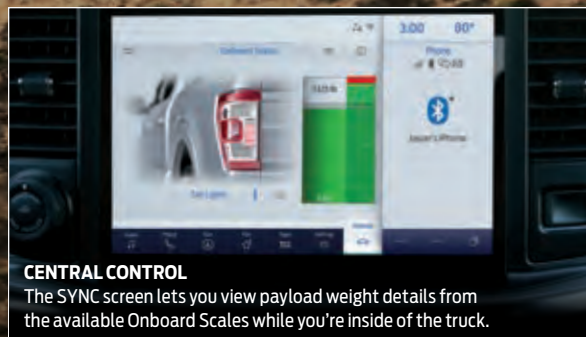

NEW ONBOARD SCALES.

Payload and productivity go hand in hand. That's why the Ford F-150® uses Built Ford Tough® advanced engineering to help you make the most of every load. Case in point: available new Onboard Scales – first in the class – can tell you the max. payload rating of your specific truck¹ and the approximate weight of its current payload. Just activate them to see when your truck is nearing its payload limit. You can track the action 3 ways: on the SYNC® screen, with the FordPass™ App,² and with the Smart Taillamps. There's also a cargo box camera (included in the available 360-Degree Camera³) that lets you check cargo and tie-downs, and see if the tailgate is closed. When you need to carry that weight, do it smartly with the new 2021 Ford F-150.

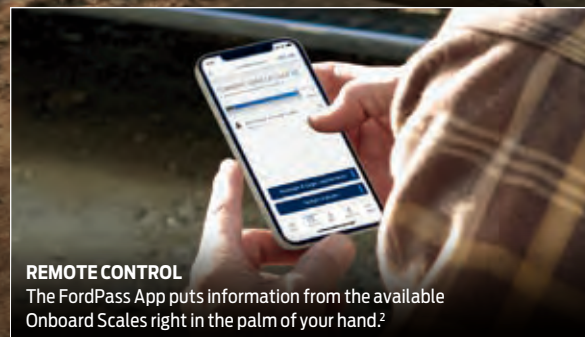

NEW SMART TAILLAMPS

Included with the available Onboard Scales, these let you stand outside while checking that the truck is within its max. payload capacity.

CENTRAL CONTROL

The SYNC screen lets you view payload weight details from the available Onboard Scales while you're inside of the truck.

REMOTE CONTROL

The FordPass App puts information from the available Onboard Scales right in the palm of your hand.²

AVAILABLE CARGO TOOLS

- EXTENDED-LENGTH CAB STEPS (INCLUDING A POWER MODEL) FOR ENHANCED BED ACCESS
- POWER TAILGATE INCLUDING TAILGATE STEP AND NEW TAILGATE WORK SURFACE
- STOWABLE RAMPS AND THE TAILGATE STEP FOR LOADING
- BOXLINK™ WITH LOCKING CLEATS AND BED EXTENDER TO MANAGE CARGO

BEST-IN-CLASS

3,325 LBS.

MAX. AVAILABLE PAYLOAD⁴

XL REGULAR CAB 4x2. Oxford White. Available Heavy-Duty Payload Package. Available equipment. (Max. Payload 3,247 lbs. and Max. Towing 13,000 lbs. when properly equipped with 8' box, available 5.0L V8 engine, and available Max. Trailer Tow and Heavy-Duty Payload Packages.)

1. See label on door jamb for carrying capacity of a specific vehicle. **2.** FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for

details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. **3.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. **4.** Max. payload of 3,325 lbs. available on XL Regular Cab 4x2 with available 8' box, available 5.0L V8 engine and available Max. Trailer Tow and Heavy-Duty Payload Packages (not shown). Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle.

NEXT-GEN POWER.

3.5L POWERBOOST™ FULL HYBRID POWERTRAIN.

In yet another leap forward for our tough, smart, productive trucks, the available 3.5L PowerBoost Full Hybrid V6 engine combines the proven 3.5L EcoBoost® twin-turbo V6, a transmission with an integrated electric motor, and a lithium-ion battery pack to intelligently store and augment power by up to 44 hp (33kW) when you need it most. F-150® models with PowerBoost deliver the same passenger and cargo room as equivalent models without PowerBoost.

Ford torture-tested the 2021 F-150 hybrid powertrain to make sure it will operate in extreme conditions and meet customer demands. Our teams took it up the grueling Davis Dam grade in Arizona, through the high altitudes of Colorado, and into the brutal cold of Manitoba, Canada.

PowerBoost lives up to our Built Ford Tough® commitment and meets the demands of those who work hard and play harder.

THE POWER AUTHORITY.

PRO POWER ONBOARD.

With available Pro Power Onboard, the 2021 F-150® pickup offers best usable power on demand in the class. From Tailgater to Contractor, available 2.0kW, 2.4kW and 7.2kW systems let you choose the output¹ that meets your needs. Plug into the available AC outlets located in the cab and box, and use the dashboard SYNC® 4 screen or FordPass™ App² to track combined wattage used by connected devices.³ Choose the available PowerBoost™ Full Hybrid engine, and the vehicle's lithium-ion battery can help run your job site. If the hybrid battery gets low, the engine can start automatically⁴ to recharge it and you can keep working. When the weekend rolls in, throw the ultimate tailgate party by plugging in a TV and portable fridge. Then let the games begin.

1. Maximum power draw not to exceed limits specified in the vehicle owner's manual. See owner's manual for important operating instructions. **2.** FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. **3.** Must be within 36 feet of vehicle to control energy usage. **4.** Automatic engine restart requires that Generator Mode is engaged. **5.** Power may also be limited in Drive mode, or certain ambient temperature conditions. Some electrical equipment requires higher startup power than the running rating and could exceed the power capacity of the system. See owner's manual for important operating instructions.

MORE POWERFUL FEATURES

CENTRAL CONTROL
Monitor power draw and usage across multiple circuits on the center stack touchscreen.

REMOTE CONTROL
Monitor power draw and usage with the FordPass App.

BUILT-IN WORKBENCH.

TAILGATE WORK SURFACE.

Now it's even easier to set up shop wherever you take your 2021 Ford F-150® pickup. A variety of useful holders are molded into the available durable composite Tailgate Work Surface, which has a grained texture to help keep work in place. Every F-150 pickup equipped with the available tailgate step comes with this innovative feature. Plus, all Ford F-150 truck tailgates get standard tie-down hooks to help secure loads that extend out over the tailgate (and double as handy bottle openers), as well as standard clamp pockets that can allow you to perform a wider range of tasks.

TAILGATE CLAMP POCKETS
Just the thing to help your work stay where it belongs.

TAILGATE STEP
A Ford innovation and proven design.

MEDIA HOLDER
Props up your smartphone or tablet for easy viewing.

CUP/HARDWARE HOLDER
Beverage of choice within reach.

DUAL RULERS
For quick measurements without a tape.

FLAT SURFACE
Gives you a sizable work area clear of the bed.

UTILITY TRAY
Small parts go here.

CLAMP POCKETS
Spring-loaded doors help shut out water and debris.

TAILGATE TIE-DOWN HOOKS
Offer you more anchor points to help secure cargo across the tailgate.

CONFIDENCE. MILE AFTER MILE.

FORD CO-PILOT360™ TECHNOLOGY.

With their ability to monitor situations and conditions, this well-rounded collection of advanced driver-assist¹ systems can supplement your driving skills, helping you feel confidently in command. Every 2021 Ford F-150® pickup includes the following standard technologies:

- AUTO HOLD
- AUTOLAMP (AUTOMATIC ON/OFF HEADLAMPS) WITH AUTO HIGH BEAMS
- LANE-KEEPING SYSTEM
- PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING (AEB)
- REAR VIEW CAMERA WITH DYNAMIC HITCH ASSIST

LARIAT™ SUPERCREW® 4x4. Rapid Red Metallic Tinted Clearcoat.² Available Sport Package. Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. **2.** Additional charge. **3.** Navigation services require SYNC® 4 and FordPass™ Connect, complimentary connect service and the FordPass App (see FordPass Terms for details). Eligible vehicles receive a complimentary 3-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation. Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. **4.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. Ford BlueCruise is a hands-free highway driving feature. Only remove hands from the steering wheel when in a Hands-Free Blue Zone. Always watch the road and be prepared to resume control of the vehicle. It does not replace safe driving. See owner's manual for details and limitations. The Ford BlueCruise Prep Kit contains the hardware required for this feature. Requires purchased 3-year connected service plan with regular map updates, FordPass App and modem activation. Ford BlueCruise functionality expected 3rd quarter 2021CY.

FORD CO-PILOT360 2.0

To help you avoid dangers you may not see coming, these available systems put serious technology to work for you.

STANDARD ON XLT, LARIAT, KING RANCH®, PLATINUM®, LIMITED AND RAPTOR®; AVAILABLE ON XL AND TREMOR™

- AUTO HIGH-BEAM HEADLAMPS
- LANE-KEEPING SYSTEM
- PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
- REAR VIEW CAMERA WITH DYNAMIC HITCH ASSIST
- BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT
- POST-COLLISION BRAKING
- REVERSE BRAKE ASSIST
- REVERSE SENSING SYSTEM

FORD CO-PILOT360 ASSIST 2.0

Add this grouping to help your vehicle maintain distance behind traffic ahead, guide you to your destination, and come to your aid in certain situations.

STANDARD ON KING RANCH, PLATINUM AND LIMITED; AVAILABLE ON XLT, LARIAT AND TREMOR

- INTELLIGENT ADAPTIVE CRUISE CONTROL WITH STOP-AND-GO, LANE CENTERING AND SPEED SIGN RECOGNITION
- EVASIVE STEERING ASSIST
- INTERSECTION ASSIST
- CONNECTED BUILT-IN NAVIGATION³

FORD CO-PILOT360 ACTIVE 2.0

Our new Ford BlueCruise⁴ technology features a Hands-Free Highway Driving Mode for use while driving in designated Hands-Free Blue Zones. This package also includes Active Park Assist™ 2.0 that can help find a space in which your vehicle fits, then help you park it.

STANDARD ON LIMITED; AVAILABLE ON LARIAT, KING RANCH AND PLATINUM

- NEW FORD BLUECRUISE HANDS-FREE HIGHWAY DRIVING TECHNOLOGY
- ACTIVE PARK ASSIST 2.0

FORD BLUECRUISE PREP KIT⁴

AVAILABLE ON TREMOR

- INCLUDED WITH ACTIVE PARK ASSIST 2.0 IN THE FORD CO-PILOT360 ACTIVE 2.0 PREP PACKAGE

UPPER GLOVE BOX

A welcome addition to the useful storage already inside the truck.

DOOR STORAGE

Plenty of room and quick access for items you use all the time.

CONSOLE STORAGE

Plenty of space inside, and the design supports the new available Interior Work Surface.

HEADREST SPEAKERS

Part of an available 18-speaker/1,080-watt B&O™ Unleashed Sound System designed to deliver outstanding audio.

MODERN MATERIALS

Ford continues to elevate and innovate interior design.

REFINED AND RECLINED.

The Ford F-150® interior has been reimagined, redesigned and reengineered. All cabs feature redesigned seating with distinctive colors and other design cues at each trim level to help set your F-150 apart. Available Max Recline Seats^{1,2} (shown) let those in front turn downtime into lie-down time. Exploiting a full range of motion, the seat backs recline, and articulated seat bottoms raise to form nearly flat cushions. These seats also feature built-in lower back, thoracic and neck support. It's flat-out amazing how much functionality has been added to the Regular Cab, SuperCab™ and SuperCrew® configurations. And it all fits to a T.

PLATINUM® SUPERCREW 4x4. Carmelo Nirvana leather seating surfaces³ with Black Miko® sueded cloth accents. Available B&O Unleashed Sound System. Available equipment.

1. SuperCrew only. 2. Not to be used while driving. 3. Excluding vertical contrast microfiber suede strips and vinyl upper insert horseshoe strip.

CARGO-HAULING TOOLS

The flat load floor and new load floor tie-down hooks near each rear door help you securely carry items you want to keep inside.

REAR UNDERSEAT STORAGE¹

This available storage can be raised, divided and locked when the rear seat is folded down.

AVAILABLE B&O SOUND SYSTEMS

Choose the 8-speaker B&O or the new 18-speaker B&O Unleashed Sound System. Either ups your audio game by orders of magnitude.

12" DIGITAL INSTRUMENT CLUSTER

This available display includes full digital gauges, contextually animated vehicle avatars, Drive Mode visualizations, menus and alerts. Plus, it lets you choose the configuration of gauges and features you want to see.

TAKE CHARGE.

FROM YOUR MOBILE COMMAND CENTER.

The Ford F-150® pickup is all about making your time more productive. So available features help you get right to business from the driver's seat. There are 2 styles of available Interior Work Surface ready to go anytime your truck is parked. The first (above right) can equip the available flow-through center console. Its lid unfolds and opens completely flat thanks to a stowable shifter that moves out of the way at the touch of a button. The second (near right) can equip the 40/20/40 front bench. Couple either with the available newest-generation 12" LCD SYNC® 4¹ touchscreen in the center stack that serves up large camera views for trailer hookup and maneuvering, information-on-demand screens, plus access to onboard Truck Feature apps. It's easy to turn your new F-150 truck into mobile operations central.

KING RANCH® SUPERCREW® 4x4. Norias/Mesa Antique Affect Del Rio leather seats with vinyl piping. Available equipment.

1. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2. Qi wireless charging may not be compatible with all mobile phones.

INTERIOR WORK SURFACE

The 40/20/40 front bench seat version is available on XL, XLT and LARIAT™ in all cabs.

WIRELESS CHARGING²

An available feature that makes phone charging simple. It also takes a cord out of the cab and out of your way.

NEXT-LEVEL CONNECTIVITY.

SYNC® 4: CONNECTING. FASTER AND EASIER.

From home to truck to job site, you want seamless connectivity that can help you take advantage of opportunities as they arise. Get in on that project bid. Find the subcontractors you need. Navigate around traffic backups to deliver on time. SYNC 4¹ from Ford can help by bringing new levels of intelligence, conversational voice recognition – and twice the computing power of SYNC 3 – to help make navigation, music and connecting your vehicle to your smartphone faster and easier. Plus, Ford Power-Up software updates² can wirelessly deliver software enhancements for SYNC and much more directly to your vehicle via standard FordPass™ Connect or Wi-Fi. We want your truck to have the very latest, so you don't miss a beat.

Data rates may apply.

LARIAT™ SUPERCREW® 4x4. Black premium leather-trimmed seating. Available Sport Package. Available equipment. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible.

1. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **2.** FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. **3.** Certain Alexa functionality is dependent on smart phone and home technology. **4.** Requires phone with active data service and compatible software. SYNC 4 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. **5.** Includes a 3-month All Access trial subscription. SiriusXM® audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged

LARGER SCREEN

A large, available 12" touchscreen has split-screen capability where you can see 2 features at the same time. SYNC 4 allows you to access everything from online reviews to parking availability in select cities from the driver's seat.

WIRELESS PHONE CONNECTION

SYNC 4 is completely wireless. That means no USB is required to access any of its features, so you can live untethered.

FORD+ALEXA

AppLink® allows you to use Alexa³ technology from inside the vehicle. So whether you want to play music, hear a joke or turn your house lights on as you pull in the driveway, the F-150 pickup lets you do it.

DIGITAL OWNER'S MANUAL

Maximize your truck and its capability with your owner's manual right on your screen.

APPLE CARPLAY AND ANDROID AUTO

Get wireless connectivity with both Apple CarPlay® and Android Auto™ compatibility,⁴ so you can access your smartphone apps without looking at your phone.

AVAILABLE SIRIUSXM WITH 360L⁵

Listen to an unparalleled variety of premium entertainment with 200+ channels, plus thousands of hours of On Demand shows, performances and interviews.

AVAILABLE CLOUD-CONNECTED NAVIGATION^{2,6}

Conversational voice recognition replaces hardwired commands for ease of use.

according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly. **6.** Navigation services require SYNC 4 and FordPass Connect, complimentary connect service and the FordPass app (see FordPass Terms for details). Eligible vehicles may receive a complimentary 90-day trial of navigation services or if applicable, a 3-year trial of built-in navigation services that begin on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the navigation service will terminate, or depending on vehicle, the built-in connected navigation service will terminate. Built-in navigation system will revert to embedded offline navigation after termination. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply.

TOUGH TRIED AND TRUE.

Built Ford Tough® values are the ties that bind the doers of the world to the trucks that get things done. It motivates the creativity of our designers, the ingenuity of our engineers, and affects nearly every component, part and assembly that go into Built Ford Tough trucks. It's the call to test our trucks to the limit, and the duty to deliver trucks that stand the test. It spans millions of miles over the decades, and it's helped make F-Series® America's best-selling trucks for 44 years.¹ Put one to the test and discover what Built Ford Tough means to you.

THE RUGGED FRAME

Fully boxed, with 8 muscular crossmembers and large, cross-section frame rails. Comprised of high-strength steel, it's electrocoated with a durable protective shell that helps inhibit rust.

THE BODY AND BOX

Constructed of high-strength, military-grade, aluminum alloys,² the panels are hardened through heat treating for even greater strength. Plus, the aluminum alloy body and box don't rust and resist corrosion.

LONG, WIDE REAR LEAF SPRINGS

Their length helps increase spring life for the long haul, and the rear spring bushings have been tuned with ride quality in mind. Spring width helps stabilize axle control, while balancing ride smoothness with best-in-class payload capability.³

CRASH ENERGY MANAGEMENT

A masterful mix of high-strength, military-grade aluminum alloys work with the high-strength-steel frame structure to manage crash/crush energy into the F-150 passenger compartment in certain front, side and rear impacts.

8' box, available 5.0L V8 engine and available Max. Trailer Tow and Heavy-Duty Payload Packages (not shown). Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle.

XL SUPERCAB™ 4x4. Velocity Blue Metallic. Available STX® Package. Available equipment. (Max. Payload 2,142 lbs. when properly equipped with 6.5' box and available 5.0L V8 engine.)

1. Best-selling trucks for 44 years based on 1977-2020 CY total sales. 2. 6000-series aluminum alloy. 3. Max. payload of 3,325 lbs. available on XL Regular Cab 4x2 with available

								FUNCTIONAL PACKAGES
								Trailer Tow Package¹ (required for towing up to 11,300 lbs.): Class IV trailer hitch receiver, 4-pin/7-pin wiring harness, Smart Trailer Tow Connector, trailer brake controller, and trailer hookup lamp; also includes Pro Trailer Backup Assist on XLT, LARIAT, KING RANCH, PLATINUM, LIMITED and TREMOR
								2.7L EcoBoost® Payload Package:¹ 3.73 electronic-locking rear axle and 9.75" gearset
								Heavy-Duty Payload Package¹ (5.0L and 3.5L EcoBoost engines): 3.73 electronic-locking rear axle, 9.75" gearset, 36-gallon extended-range fuel tank;¹ upgraded springs, and 18" Silver-painted aluminum wheels with LT265/70R18C OWL all-terrain tires
								Snowplow Prep Package¹ (4x4; requires 5.0L V8 engine): snowplow mode with dash-mounted button to disable select features to maintain required electrical charge margins during plow operation; deletes standard active air dam; electronic shift-on-the-fly (ESOF) 4WD transfer case replaces standard 2-speed automatic 4WD transfer case on LARIAT
								FX4™ Off-Road Package¹ (4x4 only): includes electronic-locking rear axle; Rock Crawl drive mode; Hill Descent Control; off-road-tuned front shocks; front differential, transfer case and fuel tank skid plates; FX4 Off-Road box decals; and floor liners
								Max. Trailer Tow Package¹ (required for towing up to 14,000 lbs.; requires 5.0L, 3.5L EcoBoost, 3.0L Power Stroke® or 3.5L PowerBoost): 3.55 or 3.73 electronic-locking rear axle, Class IV trailer hitch receiver, 4-pin/7-pin wiring harness, Smart Trailer Tow Connector, trailer brake controller, 36-gallon extended-range fuel tank;¹ upgraded rear bumper, and trailer hookup lamp; also includes Pro Trailer Backup Assist on XLT, LARIAT, KING RANCH and PLATINUM

1. Restrictions may apply. See your dealer for details. **2.** FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. **3.** Navigation services require SYNC 4 and FordPass Connect, complimentary connect service and the FordPass App

AVAILABLE EQUIPMENT GROUPS & PACKAGES

XL

Equipment Group 101A: XL Power Equipment Group (see content below) + cruise control
+ Reverse Sensing System

XL Power Equipment Group (standard on SuperCrew): power door and tailgate locks with autolock; Remote Keyless Entry System; power windows; manual-folding sideview mirrors with power, heated glass; Illuminated Entry System; MyKey; and perimeter alarm

XL Chrome Package:¹ 17" Silver-painted aluminum wheels, chrome bumpers, and halogen fog lamps

LARIAT Sport Package: 18" 6-spoke machined aluminum wheels with Gloss Black-painted pockets (diesel engine requires 20" 6-spoke Dark Alloy-painted aluminum wheels); Dark Gray grille, front skid plate elements, fender badges and 6" angular step bars; body-color bumpers; SPORT box decals (n/a with FX4 Off-Road Package); chrome exhaust tip; unique finish on instrument panel, media bin lid and door-trim accents; and front bucket seats with flow-through center console and floor shifter

(See FordPass Terms for details). Eligible vehicles may receive a complimentary 90-day trial of navigation services, or if applicable, a 3-year trial of built-in navigation services that begin on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the navigation service will terminate, or depending on vehicle, the built-in connected navigation service will terminate. Built-in navigation system will revert to embedded offline navigation after termination. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. **4.** Includes 3-month All Access trial subscription. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly. **5.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. Ford BlueCruise is a hands-free highway driving feature. Only remove hands from the steering wheel when in a Hands-Free Blue Zone. Always watch the road and be prepared to resume control of the vehicle. It does not replace safe driving. See owner's manual for detail and limitations. The Ford BlueCruise Prep Kit contains the hardware required for this feature. Requires purchased 3-year connected service plan with regular map updates, FordPass App and modem activation. Ford BlueCruise functionality expected 3rd quarter 2021CY. **6.** Ford Licensed Accessory. **7.** Tailgate appliqué with FORD lettering delete option available. **8.** RAPTOR 37 graphics delete option available.

Best ratings in the class shown **bolded** and in color. Class is Full-Size Pickups under 8,500 lbs. GVWR.

WB = Wheelbase Payload and towing are independent attributes and may not be achieved simultaneously.

1. Requires 2.7L EcoBoost Payload Package. **2.** Requires Max. Trailer Tow Package. **3.** Requires Max. Trailer Tow and Heavy-Duty Payload Packages. **4.** TREMOR only. **5.** RAPTOR only. **6.** RAPTOR with available RAPTOR 37 Performance Package.

Towing Notes: Maximum loaded trailer weights shown. Do not exceed trailer weight of 5,000 lbs. when towing with bumper only. The combined weight of the towing vehicle (including options, hitch, passengers and cargo) and the loaded trailer must not exceed the GCWR (Gross Combination Weight Rating). Trailer tongue load weight should be 10-15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle's Safety Compliance Certification Label. See the RV and Trailer Towing Guide for requirements, restrictions and 5th-wheel towing.

Payload Notes: Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer.

New Vehicle Limited Warranty.

We want your Ford F-150® ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage (whichever comes first), 5-year/60,000-mile Powertrain Warranty coverage (whichever comes first), 5-year/60,000-mile safety restraint coverage (whichever comes first), and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage (whichever comes first) – all with no deductible. F-150 unique electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles (whichever comes first). Please ask your Ford Dealer for a copy of these limited warranties.

Ford Credit® Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that’s right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles (whichever comes first), so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Insure. Insurance that lets you earn discounts for safe driving, offering a maximum discount of 40% off your auto insurance. Ford Insure works with your 2021 F-150 to gauge driving habits and calculate a discount based on how you drive. Visit www.fordinsure.com to learn more.

American Road Services Company LLC (a Ford affiliate) is the licensed insurance agency offering Ford Insure and is underwritten by Nationwide Mutual Insurance Company and affiliates. Home Office: Columbus, OH. Ford Motor and Ford Credit are not insurance companies or agents. Subject to underwriting guidelines, review and approval. Details and availability varies; program criteria differ in California. Discounts do not apply to all coverage elements; actual savings vary by state, coverage selections, rating factors and policy changes.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile (whichever comes first) New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.

From day one, we had the future in mind. And over 117 years later, we continue that tradition of innovation with Ford Co-Pilot360™ helping push us closer to autonomous driving, the latest generation of SYNC® to communicate untethered and our first fully electric vehicle – Ford Mustang Mach-E®.

We've always had our mind on the future. Now we're building it.

The FordPass™ App

Meet FordPass. The app that puts your ownership experience in the palm of your hand.

- Access remote features¹ like start/stop, lock/unlock, schedule a start, locate vehicle and vehicle status check when your vehicle is equipped with FordPass Connect²
- With the FordPass App, get the toughest jobs done no matter where you are: Keep an eye on available Pro Power Onboard usage, control available Zone Lighting, check your trailer lights and more right from the app
- With FordPass Rewards, earn Points to use toward complimentary maintenance³ or accessories when you buy or lease a new Ford
- Enjoy peace of mind knowing 24/7 Roadside Assistance⁴ is only a call or e-request away

Download the FordPass App today.

1. Remote start and remote lock/unlock require power door locks. **2.** FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. **3.** Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details or go to FordPassRewards.com. **4.** Roadside Assistance is included for certain owners and available to everyone for a per-service fee. Ford reserves the right to change program details without obligations. Ford Roadside Assistance is a complimentary offering to all Ford owners for up to 5 years or 60,000 miles (from the date of sale), whichever comes first.
