DEALER ePROCESS

THERE'S NO POWER LIKE PONY POWER.

All models shown with available equipment (front to back):

MACH 1 PREMIUM. Fighter Jet Gray. Available Appearance Package.

SHELBY® GT500. Antimatter™ Blue Metallic. Available Carbon Fiber Track Pack.

GT PREMIUM CONVERTIBLE. Race Red.

ECOBOOST® PREMIUM. Twister Orange Metallic Tri-coat.¹ Available High Performance Package.

Open roads. Closed tracks. Drag strips and long straightaways. This legendary icon devours them all. A high-revving celebration of American muscle, the Ford Mustang® is meant to be driven. Hard. Through the chicanes and blind corners of the nation's premier road courses to any twisty stretch of blacktop near you. 56 years of Pony power brings us these heart-pounding choices. The Mustang EcoBoost model with the available 2.3L High Performance Package sports the most powerful 4-cylinder engine from any domestic automaker. Next up, the hard-charging Mustang GT model. A new, limited-edition 2021 Mustang Mach 1 model returns with performance upgrades that invite you to attack any track with confidence. And the Shelby GT500 model stands alone as the most powerful street-legal Ford Mustang.² Ever. So buckle up for the ride of your life. From this stable, 2021 will move at breathtaking speed.

Cover: **MACH 1 PREMIUM.** Fighter Jet Gray. Available Appearance Package. Closed track. Line-lock is intended for track use only. It should not be used on public roads. See owner's manual for information on use. Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment.

¹. Additional charge. ². Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously.

MACH 1 BY THE NUMBERS

480 HORSEPOWER¹

420 LB.-FT. OF TORQUE¹

A RETURN TO MACH SPEED.

Faster than you can say “sonic boom,” the limited-edition Ford Mustang® Mach 1 will pin you to your seat and get you *anywhere* in a hurry. The pinnacle of 5.0L V8 Mustang performance, Mach 1 with the available Mach 1 Handling Package² is born of decades of heritage, as well as lessons learned from the Shelby® GT350® and Shelby GT500® models. The Mach 1 5.0L V8 is paired with a TREMEC® 6-speed manual transmission, now with Rev Matching, and a short-throw shifter. A uniquely crafted grille design helps the monster V8 keep its cool. Mach 1 aerodynamics are enhanced by a front splitter and a robust new underbelly pan, which optimizes airflow beneath the car. The available Handling Package features a higher-downforce front splitter, low-gloss Magnetic Performance rear spoiler with Gurney flap, adjustable strut top mounts, Michelin® Pilot® Sport Cup 2 tires, and revised chassis tuning. A 10-speed automatic, with upgraded torque converter and unique powertrain calibration, is available on Mach 1 for the first time ever. Limited edition means they’ll go fast. Get yours before you’re left in the rear view.

MACH 1. Grabber Yellow. Available equipment.

¹. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously. ². Available spring 2021.

DESIGN YOUR DISPLAY.

Personalize your Ford Mustang® as often as you like with the available customizable 12" color LCD instrument cluster. Through the Pony button on the steering wheel, you decide what's displayed: any combination of 1 to 3 virtual gauges (choose from 8); Exhaust mode; Track Apps;™ a Performance Shift Indicator (3 types with configurable rpm); launch control; and more. Enhance it further with MyColor.® Set your primary, secondary and ambient lighting colors. The cluster, like everything else, is oh-so responsive.

MUSTANG TRACK APPS¹

LIGHT 'EM UP. At the track. In the cluster. With standard line-lock, you can "heat up" the Mustang rear tires. As they smoke outside, you'll see them smokin' here as well.

NO STOPWATCH NEEDED. With the Lap Timer, record your time and average speed at 3 separate tracks. Store up to 100 sessions (a session is 25 laps) in Track Mode.

1,320 FEET OF EXHILARATION. Start your launch with the iconic "Christmas tree." 3-2-1. Gone! The Acceleration Timer shows you how quickly you reach the ¼ mile.

AVAILABLE HEATED
STEERING WHEEL

COMMAND THE ROAD

WITH FORD CO-PILOT360™ TECHNOLOGY.

FORD CO-PILOT360

FROM THE DRIVEWAY TO THE HIGHWAY, we can all use more confidence at the wheel. That's why Ford Mustang® offers an extensive, well-rounded collection of standard and available driver-assist technologies. These advanced features are about supplementing your driving skills.¹ Helping you feel confidently in command.

These smart standards can help you with staying in your lane,² changing lanes, backing up and more. In doing so, they help make driving more enjoyable:

- **AUTO HIGH-BEAM HEADLAMPS**
- **BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT**
- **LANE-KEEPING SYSTEM**

- **PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING**
- **REAR VIEW CAMERA**

FORD SAFE & SMART™ PACKAGE

From navigating stop-and-go traffic to finding your way with ease, get help from these available features:

- **ADAPTIVE CRUISE CONTROL**
- **VOICE-ACTIVATED TOUCHSCREEN NAVIGATION SYSTEM**

GT PREMIUM CONVERTIBLE. Iconic Silver Metallic. Available California Special Package. Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. **2.** Lane-Keeping System does not control steering.

FAST CONNECTIVITY. LIKE EVERYTHING ELSE ABOUT THIS PONY.

Keep your eyes on the road, and your hands on the wheel, with available SYNC® 3.¹ With its sleek, user-friendly interface, SYNC 3 is more than the ability to make phone calls and play your favorite music – it's about making connectivity fast, smart and simple. Our easy-to-use, voice-activated technology also has an 8" LCD capacitive touchscreen.

PUT CONTROL IN THE PALM OF YOUR HAND. Start, stop, lock and unlock your Ford Mustang® from your smartphone with FordPass™ Connect and the FordPass App.³

STREAM YOUR CONTENT. You – and your pit crew – can connect up to 10 devices at once, inside the vehicle or up to 50' feet away – with 4G LTE Wi-Fi hotspot capability⁴ and FordPass Connect.³

COMMAND YOUR APPS. Use voice commands to control favorite apps on your paired smartphone or other mobile devices with SYNC AppLink.⁵

FOLLOW ITS LEAD. Get information on traffic delays, alternate route suggestions, weather conditions, gas stations and more⁶ with the available Navigation System.

CHANGE IT UP. Enjoy available compatibility with Apple CarPlay⁷ for your iPhone® or Android Auto^{TM7} for your Android™ smartphone.

GT PREMIUM. Available Equipment Group 401A. Available equipment.

1. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. **2.** Automatic transmission only. **3.** FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FORDPASS™ CONNECT

TURBOCHARGED TENACITY. Down to the very last detail, you can custom-fit the way you drive with the Ford Mustang® EcoBoost® model. That includes some serious swagger with the available 2.3L High Performance Package that includes a 2.3L EcoBoost tuned by Ford Performance to deliver 330 horsepower¹ and 350 lb.-ft. of torque¹. Choose sleek fastback or drop-top convertible. Try and pick a favorite among 9 different wheel choices, from standard 17" Sparkle Silver-painted aluminum to the 19" machined-face aluminum rims with low-gloss Ebony Black-painted pockets included with the available 2.3L High Performance Package. Also included is the Active Valve Performance Exhaust System, which even lets you customize your exhaust note. Want more thrills? Add the available Handling Package. Outside, inside, and under the hood, there are countless ways to make Mustang EcoBoost your own.

READY TO ROAR. They'll know you're coming. And when you leave them in your dust. That wicked 5.0L V8 acceleration rumble defines the Ford Mustang[®] GT model. There's nothing quite like it. You can even keep that signature sound to a minimum with available Quiet Start – when heading out at 5 a.m., for instance – to keep you in good graces with the neighbors. This high-revving V8 features a dual-injection system and plasma transferred wire arc (PTWA) spray-bore cylinder-lining technology to deliver 460 horsepower¹ along with 420 lb.-ft. of torque.¹ That's only the beginning of its charm. Passionate performance from this iconic fastback includes hitting the 0-60 mark in under 4 seconds.² A 4-wheel, fully independent suspension delivers excellent road feel and precise handling. You'll enjoy making this beast howl. Every chance you get.

1. Horsepower and torque ratings based on premium fuel per SAE J1349[®] standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously. **2.** Mustang GT with available GT Performance Package, available 10-speed automatic and Drag Strip mode. Figures based on internal Ford test data. **3.** Trial length and service availability may vary by model, model year or trim. All SiriusXM Services require a subscription, each sold separately by SiriusXM after the trial period. Service will automatically stop at the end of your trial unless a subscription is purchased. See the SiriusXM Customer Agreement at www.siriusxm.com for complete terms. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. **4.** Restrictions may apply. See your dealer for details.

MACH 1

+ MACH 1 PREMIUM

SILVER-PAINTED STRUT-TOWER BRACE WITH MACH 1 BADGE
TREMEC® 6-SPEED MANUAL WITH REV MATCHING
UNIQUE CHASSIS TUNING

BREAK THE STYLE BARRIER. With a deep 3-D mesh, shark-nosed grille section like the 1960s original, the bold, muscular style of the all-new, limited-edition Ford Mustang® Mach 1 celebrates a heritage of speed and performance that dates back over 5 decades. A low-gloss Magnetic Pony badge centers that grille, with the same color accenting the sideview mirror caps and rear spoiler. The sporty look continues inside with a Dark Spindrift instrument panel trim, illuminated door-sill scuff plates, white cue ball shift knob, and engraved badging on the instrument panel that displays each vehicle's unique chassis number. For the ultimate Mach 1, the available Mach 1 Appearance Package features exclusive Fighter Jet Gray exterior paint, Orange brake calipers, Black side and hood stripes with Orange accents, and Ebony leather-trimmed front seats with Orange accent stripes. Grab the keys and get gone!

1. Ford does not recommend using summer tires when temperatures drop to approximately 45°F or below (depending on tire wear and environmental conditions), or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires. 2. Available spring 2021. Limited availability. 3. Restrictions may apply. See your dealer for details.

SHELBY® GT500®

SHELBY EXCLUSIVE ALUMINUM INSTRUMENT PANEL TRIM
SHELBY EXCLUSIVE INTERIOR TRIM
AVAILABLE CARBON FIBER TRACK PACK¹

VENOMOUS. The most powerful street-legal Ford Mustang® Ever. 760 horses² and 670 lb.-ft. of torque² The Shelby GT500 model is capable of accelerating from 0-100 mph and back to 0 in 10.6 seconds.³ It achieves an astounding 550 lbs. of rear downforce at 180 mph when equipped with the available Carbon Fiber Track Pack and adjustable rear wing set to Track. Everything about this snake speaks to an inner fury, starting with the hand-built 5.2L cross-plane crank V8 and its 2.65L Eaton supercharger. To handle all that torque, a computer-controlled TREMEC® 7-speed dual-clutch automatic transmission delivers high power and torque transfer, plus smart powertrain controls. A muscular hood with a massive louvered vent extracts air quickly for exceptional downforce and improved cooling. Self-centering pins help keep the composite hood locked down tight. Aerodynamically advanced, track-ready, and spitting venom, the Shelby GT500 model is engineered to dominate whatever crosses its path.

1. Restrictions may apply. See your dealer for details. **2.** Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously. **3.** Based on manufacturer testing using Track Mode and using premium fuel per SAE J1349 standard. Your results may vary. **4.** Ford does not recommend using summer tires when temperatures drop to approximately 45°F or below (depending on tire wear and environmental conditions), or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires. **5.** Limited availability.

New Vehicle Limited Warranty. We want your Ford Mustang® ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Ford Credit® Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that's right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Insure. Insurance that lets you earn discounts for safe driving, offering a maximum discount of 40% off your auto insurance. Ford Insure works with your 2021 Mustang to gauge driving habits and calculate a discount based on how you drive. Visit www.fordinsure.com to learn more.

American Road Services Company LLC (a Ford affiliate) is the licensed insurance agency offering Ford Insure and is underwritten by Nationwide Mutual Insurance Company and affiliates. Home Office: Columbus, OH. Ford Motor and Ford Credit are not insurance companies or agents. Subject to underwriting guidelines, review and approval. Details and availability varies; program criteria differ in California. Discounts do not apply to all coverage elements; actual savings vary by state, coverage selections, rating factors and policy changes.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

PASSION POWER

Mustang owners like to drive it like they stole it – then show it as their own. Ford Performance Parts are designed to help you do just that.

If your passion is for power, we've got plenty of options. There's the Aluminator XS crate engine, Mustang GT supercharger kits, and Mustang GT intake/calibration kits. Plus, you'll find a bevy of handling packs, performance exhaust systems, and brake upgrades available to bring more stride to your ride.

For showtime, Ford Performance Parts offers a plethora of appearance accessories ranging from under-hood eye candy and carbon fiber shift knobs to windshield banners, aluminum pedal kits, and performance gauge kits – just to name a few.

However you wish to trick out your Pony, know this: all Ford Performance Parts are designed, engineered and executed to the rigorous OE standards set by Ford. You can rest assured that they've earned the right to wear the Blue Oval the hard way – and the right way.

Learn more at www.performanceparts.ford.com.

From day one, we had the future in mind. And over 117 years later, we continue that tradition of innovation with Ford Co-Pilot360™ helping push us closer to autonomous driving, the latest generation of SYNC® to communicate untethered and our first fully electric vehicle – Ford Mustang Mach-E®.

We've always had our mind on the future. Now we're building it.

The FordPass™ App

Meet FordPass. The app that puts your ownership experience in the palm of your hand.

Access complimentary remote features like start/stop, lock/unlock, schedule a start, locate vehicle and vehicle status check when your vehicle is equipped with FordPass Connect²

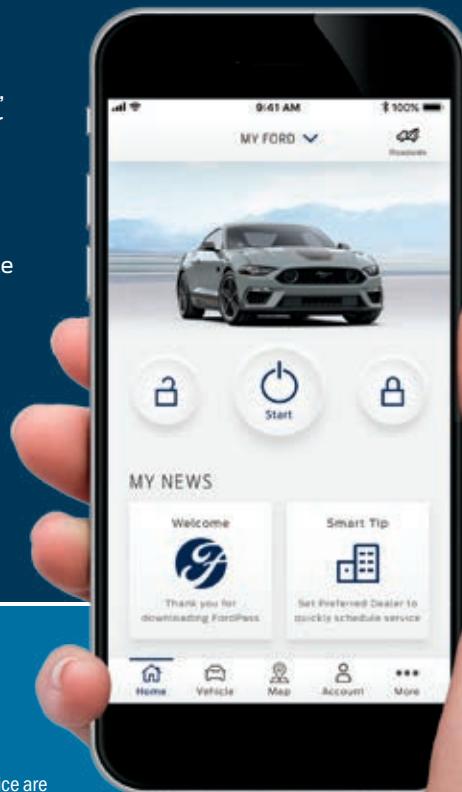

With FordPass Rewards, earn Points to use toward complimentary maintenance³ or accessories when you buy or lease a new Ford vehicle

Earn 10 FordPass Rewards Points for every \$1 spent on vehicle service and maintenance

Get help on the road with 24/7 Roadside Assistance⁴

Download the FordPass App today.

1. Automatic transmission only. **2.** FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. **3.** Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details or go to FordPassRewards.com. **4.** Roadside assistance is included for certain owners and available to everyone for a per-service fee.
