THERE'S NO POWER LIKE PONY POWER.

ALL MODELS SHOWN WITH AVAILABLE EQUIPMENT (FRONT TO BACK):

GT PREMIUM CONVERTIBLE. Race Red.

Open roads. Closed tracks. Drag strips and long straightaways. This legendary icon devours them all. A high-revving celebration of American muscle, the Ford Mustang® is meant to be driven. Hard. Through the chicanes and blind corners of the nation's premier road courses to any twisty stretch of blacktop near you. 56 years of Pony power brings us these heart-pounding choices. The Mustang EcoBoost model with the available 2.3L High Performance Package sports the most powerful 4-cylinder engine from any domestic automaker. Next up, the hard-charging Mustang GT model. A new, limited-edition, 2021 Mustang Mach 1 model returns with performance upgrades that invite you to attack any track with confidence. And the Shelby GT500 model stands alone as the most powerful street-legal Ford Mustang® Ever.

So buckle up for the ride of your life. From this stable, 2021 will move at breathtaking speed.

 THERE'S NO POWER LIKE PONY POWER.

THERE'S NO POWER LIKE PONY POWER.
Faster than you can say “sonic boom,” the limited-edition Ford Mustang® Mach 1 will pin you to your seat and get you anywhere in a hurry. The pinnacle of 5.0L V8 Mustang performance, Mach 1 with the available Mach 1 Handling Package is born of decades of heritage, as well as lessons learned from the Shelby® GT350® and Shelby GT500® models. The Mach 1 5.0L V8 is paired with a TREMEC® 6-speed manual transmission, now with Rev Matching, and a short-throw shifter. A uniquely crafted grille design helps the monster V8 keep its cool. Mach 1 aerodynamics are enhanced by a front splitter and a robust new underbelly pan, which optimizes airflow beneath the car. The available Handling Package features a higher-downforce front splitter, low-gloss Magnetic Performance rear spoiler with Gurney flap, adjustable strut top mounts, Michelin® Pilot® Sport Cup 2 tires, and revised chassis tuning. A 10-speed automatic, with upgraded torque converter and unique powertrain calibration, is available on Mach 1 for the first time ever. Limited edition means they’ll go fast. Get yours before you’re left in the rear view.

MUSTANG TRACK APPS

1. LIGHT ‘EM UP. At the track. In the cluster. With standard line-lock, you can “heat up” the Mustang rear tires. As they smoke outside, you’ll see them smokin’ here as well.

2. NO STOPWATCH NEEDED. With the Lap Timer, record your time and average speed at 3 separate tracks. Store up to 100 sessions (a session is 25 laps) in Track Mode.

3. 1,320 FEET OF EXHILARATION. Start your launch with the iconic “Christmas tree.” 3-2-1. Gone! The Acceleration Timer shows you how quickly you reach the 1/4 mile.

Personalize your Ford Mustang® as often as you like with the available customizable 12” color LCD instrument cluster. Through the Pony button on the steering wheel, you decide what’s displayed: any combination of 1 to 3 virtual gauges (choose from 8); Exhaust mode; Track Apps™; a Performance Shift Indicator (3 types with configurable rpm); launch control; and more. Enhance it further with MyColor®. Set your primary, secondary and ambient lighting colors. The cluster, like everything else, is oh-so-responsive.

THIS CABIN ROCKS. Starting with an available B&O™ Sound System that sends 1,000 watts of digitally processed sound through 12 high-performance speakers, plus a trunk-mounted subwoofer. Steering column: tilts and telescopes to better fit your needs. EVen the placement of the short-throw gear shifter of the 6-speed transmission allows for open access to controls. Like the toggle switches for the available Selectable Drive Modes and Active Valve Performance Exhaust System. And so much more. Designed and engineered to optimize your connection to the road – Mustang also heightens your enjoyment of it.

MACH 1 PREMIUM. Ebony leather-trimmed seating. Available equipment.

1. For track use only. Not to be used under any other driving conditions. May void your vehicle’s limited warranty. See your warranty booklet for details.

DESIGN YOUR DISPLAY.

FAST CONNECTIVITY. LIKE EVERYTHING ELSE ABOUT THIS PONY.

Keep your eyes on the road, and your hands on the wheel, with available SYNC® 3. With its sleek, user-friendly interface, SYNC 3 is more than the ability to make phone calls and play your favorite music—it’s about making connectivity fast, smart and simple. Our easy-to-use, voice-activated technology also has an 8” LCD capacitive touchscreen.

1. Don’t drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

2. Automatic transmission only.

3. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply.

4. Wi-Fi hotspot includes complimentary wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the complimentary subscription period for remote features. To activate, go to www.att.com/ford.

5. Commands may vary by phone and AppLink software.

6. Requires active SiriusXM® services subscription.

7. Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.
ECOBOOST TURBOCHARGED TENACITY. Down to the very last detail, you can custom-fit the way you drive with the Ford Mustang® EcoBoost® model. That includes some serious swagger with the available 2.3L High Performance Package that includes a 2.3L EcoBoost tuned by Ford Performance to deliver 330 horsepower\(^1\) and 350 lb.-ft. of torque.\(^1\)

Choose sleek fastback or drop-top convertible. Try and pick a favorite among 9 different wheel choices, from standard 17” Sparkle Silver-painted aluminum to the 19” machined-face aluminum rims with low-gloss Ebony Black-painted pockets included with the available 2.3L High Performance Package. Also included is the Active Valve Performance Exhaust System, which even lets you customize your exhaust note. Want more thrills? Add the available Handling Package.

Outside, inside, and under the hood, there are countless ways to make Mustang EcoBoost your own.

READY TO ROAR. They’ll know you’re coming. And when you leave them in your dust. That wicked 5.0L V8 acceleration rumble defines the Ford Mustang® GT model.

There’s nothing quite like it. You can even keep that signature sound to a minimum with available Quiet Start – when heading out at 5 a.m., for instance – to keep you in good graces with the neighbors. This high-revving V8 features a dual-injection system and plasma transferred wire arc (PTWA) spray-bore cylinder-lining technology to deliver 460 horsepower along with 420 lb.-ft. of torque.

That’s only the beginning of its charm. Passionate performance from this iconic fastback includes hitting the 0–60 mark in under 4 seconds. 2

A 4-wheel, fully independent suspension delivers excellent road feel and precise handling. You’ll enjoy making this beast howl. Every chance you get.

1. Horsepower and torque ratings based on premium fuel per SAE J1349 ® standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously. 2. PREMIUM GT PERFORMANCE.

With the available GT Performance Package, you’ll get Brembo™ 6-piston front calipers with larger brake rotors, a TORSEN® limited-slip differential, an oil pressure and vacuum Gauge Pack, heavy-duty front springs, an engine compartment K-brace, unique chassis tuning, an upsized rear sway bar, and so much more. Inside, Premium models add an Angled Brush aluminum instrument panel finish, leather-trimmed front seats, aluminum foot pedals, illuminated door-sill scuff plates, SYNC® 3 and SiriusXM.

1. Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.
2. Trial length and service availability may vary by model, model year or trim. All SiriusXM Services require a subscription, each sold separately by SiriusXM after the trial period. Service will automatically stop at the end of your trial unless a subscription is purchased. See the SiriusXM Customer Agreement at www.siriusxm.com for complete terms. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. Restrictions may apply. See your dealer for details.

MACH 1
+ MACH 1 PREMIUM

BREAK THE STYLE BARRIER. With a deep 3-D mesh, shark-nosed grille section like the 1960s original, the bold, muscular style of the all-new, limited-edition Ford Mustang® Mach 1 celebrates a heritage of speed and performance that dates back over 5 decades. A low-gloss Magnetic Pony badge centers that grille, with the same color accenting the sideview mirror caps and rear spoiler. The sporty look continues inside with a Dark Spindrift instrument panel trim, illuminated door-sill scuff plates, white cue ball shift knob, and engraved badging on the instrument panel that displays each vehicle’s unique chassis number. For the ultimate Mach 1, the available Mach 1 Appearance Package features exclusive Fighter Jet Gray exterior paint, Orange brake calipers, Black side and hood stripes with Orange accents, and Ebony leather-trimmed front seats with Orange accent stripes. Grab the keys and get gone!

1. Ford does not recommend using summer tires when temperatures drop to approximately 45°F or below (depending on tire wear and environmental conditions), or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires.

3. Restrictions may apply. See your dealer for details.

VENOMOUS. The most powerful street-legal Ford Mustang® Ever. 760 horses and 670 lb.-ft. of torque. The Shelby GT500 model is capable of accelerating from 0 – 100 mph and back to 0 in 10.6 seconds. It achieves an astounding 550 lbs. of rear downforce at 180 mph when equipped with the available Carbon Fiber Track Pack and adjustable rear wing set to Track. Everything about this snake speaks to an inner fury, starting with the hand-built 5.2L cross-plane crank V8 and its 2.65L Eaton supercharger. To handle all that torque, a computer-controlled TREMEC® 7-speed dual-clutch automatic transmission delivers high power and torque transfer, plus smart powertrain controls. A muscular hood with a massive louvered vent extracts air quickly for exceptional downforce and improved cooling. Self-centering pins help keep the composite hood locked down tight. Aerodynamically advanced, track-ready, and spitting venom, the Shelby GT500 model is engineered to dominate whatever crosses its path.

1. Restrictions may apply. See your dealer for details.
2. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously.
3. Based on manufacturer testing using Track Mode and using premium fuel per SAE J1349® standard. Your results may vary.
4. Ford does not recommend using summer tires when temperatures drop to approximately 45°F or below (depending on tire wear and environmental conditions), or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires. 5. Limited availability.

**SHELBY GT500 INCLUDES SELECT MACH 1 FEATURES, PLUS:**

PASSION POWER

Mustang owners like to drive it like they stole it – then show it as their own. Ford Performance Parts are designed to help you do just that.

If your passion is for power, we’ve got plenty of options. There’s the Aluminator® XS crate engine, Mustang GT supercharger kits, and Mustang GT intake/calibration kits. Plus, you’ll find a bevy of handling packs, performance exhaust systems, and brake upgrades available to bring more stride to your ride.

For showtime, Ford Performance Parts offers a plethora of appearance accessories ranging from under-hood eye candy and carbon fiber shift knobs to windshield banners, aluminum pedal kits, and performance gauge kits – just to name a few.

However you wish to trick out your Pony, know this: all Ford Performance Parts are designed, engineered and executed to the rigorous OE standards set by Ford. You can rest assured that they’ve earned the right to wear the Blue Oval on the hard way – and the right way.

Learn more at www.performanceparts.ford.com.
From day one, we had the future in mind. And over 117 years later, we continue that tradition of innovation with Ford Co-Pilot360™ helping push us closer to autonomous driving, the latest generation of SYNC® to communicate untethered and our first fully electric vehicle – Ford Mustang Mach-E®.

We’ve always had our mind on the future. Now we’re building it.

Access complimentary remote features like start/stop, lock/unlock, schedule a start, locate vehicle and vehicle status check when your vehicle is equipped with FordPass Connect®.

With FordPass Rewards, earn Points to use toward complimentary maintenance³ or accessories when you buy or lease a new Ford vehicle.

Earn 10 FordPass Rewards Points for every $1 spent on vehicle service and maintenance.

Get help on the road with 24/7 Roadside Assistance⁴.

Download the FordPass App today.

1. Automatic transmission only. 2. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. 3. Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details or go to FordPassRewards.com. 4. Roadside assistance is included for certain owners and available to everyone for a per-service fee.
