2021 4RUNNER

Take on the untamable.

For over 35 years, 4Runner has delivered a ride that’s smooth in the city — but its true home is the off-road. Built to handle almost any terrain, the Toyota 2021 4Runner continues to help you get in touch with your wild side. Gear up and let the adventures begin.
Conquer the off-road.

This icon features available off-road technologies like Hill Start Assist Control (HAC)\textsuperscript{33} and Multi-Terrain Select (MTS)! And on daily drives, its available X-REAS Sport Suspension helps you confidently corner without breaking a sweat.

Locking Rear Differential

To help you negotiate uncertain terrain, 4Runner’s available electronically controlled locking rear differential distributes engine power evenly to both rear wheels, so they move at the same speed, even if one is off the ground.\textsuperscript{1}

Crawl Control (CRAWL)

Available Crawl Control (CRAWL)\textsuperscript{2} automatically modulates the throttle and brakes on five low-speed settings so you can keep your focus on navigating across difficult terrain.

Kinetic Dynamic Suspension System (KDSS)

When taking on extreme off-road terrain, 4Runner’s available Kinetic Dynamic Suspension System (KDSS) automatically decouples the sway bars as needed, helping improve wheel articulation.\textsuperscript{1}

Off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Wear seatbelts at all times and do not allow passengers in cargo area. See numbered footnotes in Disclosures section.
Designed for the long haul.

Wherever the trail takes you, 4Runner is loaded with features that make it easy to setup the perfect home base.

Towing capability

With 4Runner’s ability to tow up to 5000 lbs\(^3\), venturing into some of nature’s toughest ranges doesn’t mean you have to leave everything behind.

120V AC power outlet

A 120V AC power outlet\(^4\) is conveniently located in the cargo area so you can power your gear — like your phone or an air compressor — when you’re off the grid.

Sliding rear cargo deck

4Runner’s available sliding rear cargo deck can support up to 440 lbs\(^5\) and makes loading and unloading a breeze.

Power rear glass

A signature element found across all generations of 4Runner. This power rear glass raises and lowers with the push of a button, making it easier to grab your gear from the cargo area. And best of all, it’s standard.
DESIGN

Rugged, yet refined.

Looking its best with a fresh coat of mud, 4Runner’s trail-ready toughness and cutting-edge style have made it an off-road icon. While inside, its tech-focused and versatile interior helps you stay connected and comfortable as you explore the world’s wildest terrain.¹

8-in. touchscreen

Behind the wheel, 4Runner’s 8-in. high-resolution touchscreen makes your playlist, navigation settings and more all look stunning. And you can keep your devices powered up with two front and two rear USB ports.⁷

LED headlights and fog lights

Driving home from the trail after dusk, 4Runner’s new standard LED headlights shine bright. And when driving with reduced visibility, 4Runner’s new standard LED fog lights help give you a clearer view of what’s ahead.

Power moonroof

4Runner’s available power tilt/slide moonroof brings you closer to the great outdoors, without even leaving your seat.

Full fold seats

With 4Runner’s 40/20/40 fold-flat second-row seats, you can make room for everything you need by folding one or all three seats down to accommodate up to 88.8 cubic feet of cargo.⁵

See numbered footnotes in Disclosures section.
Tame wilder terrain.

4Runner TRD Pro is ready to take your adventures to the next level. Boasting a heritage-inspired grille, TRD Pro badging, and a ¼-in.-thick aluminum skid plate, this rugged body-on-frame SUV fears no trail!

TRD-tuned FOX® shocks and TRD-tuned suspension

4Runner TRD Pro’s suspension features oversized FOX® high-performance shocks — with remote reservoirs on the rear shocks — and TRD-tuned front springs to help carry you over unforgiving terrain!

TRD exhaust

The bark to match the powerful V6 bite. This black-chrome cat-back exhaust is constructed from stainless steel and its precise CNC mandrel bends help maximize efficiency.

Flow-form wheels and all-terrain tires

Crawl through rocks, dirt and mud in style. TRD Pro’s flow-form 17-in. wheels come wrapped in Nitto® Terra Grappler® all-terrain tires for more on-road comfort and enhanced off-road traction.

Off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Wear seatbelts at all times and do not allow passengers in cargo area. See numbered footnotes in Disclosures section.
Outfitted for any occasion.

Trail Special Edition

With black badging and dark gray wheels, Trail Special Edition is ready to gear up and get out. Its custom-branded and removable 40-qt. cooler with tie-down straps keeps things cool while you’re burning up the trails. And with features such as a sliding cargo deck and Yakima® LoadWarrior cargo basket, you can bring your tent, sleeping bags and other gear with you out on the trails.11

Off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Wear seatbelts at all times and do not allow passengers in cargo area. Do not overload your vehicle. See Owner’s Manual for weight limits and restrictions.

Venture Special Edition

The 4Runner Venture Special Edition brings extra style and utility to all your on and off-road adventures.1 It features all the same great equipment found on 4Runner TRD Off-Road Premium, and adds 17-in. matte-black TRD alloy wheels, a standard Yakima® MegaWarrior roof-mounted cargo basket and rugged all-weather floor liners.12

Off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Wear seatbelts at all times and do not allow passengers in cargo area. Do not overload your vehicle. See Owner’s Manual for weight limits and restrictions.

Nightshade Special Edition

Black chrome exterior accents, 20-in. black alloy wheels and black-accented heated mirrors give 4Runner Nightshade an undeniable presence. And with an X-REAS Sport Enhancement Suspension and available full-time 4WD, Nightshade Special Edition is equipped with the capability features that have given 4Runner its legendary reputation.
Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

Connected Services

Our available suite of Connected Services provides added convenience and peace of mind.

- **Safety Connect®**
  Emergency SOS assistance and 24/7 Toyota Roadside Assistance.

- **Service Connect**
  Get personalized maintenance updates and vehicle health reports.

- **Remote Connect**
  Start, lock/unlock your doors and more, using your compatible smart device.

- **Wi-Fi Connect**
  Turn your Toyota into a hotspot with 4G connectivity.

- **Destination Assist**
  24/7 live agent assistance to locate your next destination.

To view included trial details, please visit toyota.com/connected-services.

Audio Multimedia

Make every drive more personal. By utilizing your vehicle’s touchscreen display and audio multimedia capabilities, you’ll always have access to what you want. Whether it’s listening to your favorite playlist or finding the most scenic route to your destination, you’ll enjoy the latest in connectivity and technologies that are all about you.

Apple CarPlay®

Bring along a familiar face. With Apple CarPlay® compatibility, you can use your compatible iPhone® with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

Android Auto™

Stay connected on the road. By pairing your compatible Android™ phone with the audio multimedia system, Android Auto™ lets you access your Google Assistant, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® All Access 3-month trial subscription

Enjoy listening to what you want to hear. With SiriusXM® you get the deepest variety of ad-free music, more sports coverage than anywhere else, exclusive talk channels, every kind of comedy, and the most complete news coverage.

Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

JBL®

Feel the difference and hear the truth. Designed specifically for Toyota, JBL® finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

Feature availability may vary by model grade. See numbered footnotes in Disclosures section.
Peace of mind comes standard.

Toyota Safety Sense™ P (TSS-P)²⁸ is a bundle of active safety features included on many new Toyota vehicles at no additional cost. TSS-P’s comprehensive features create in-the-moment safety designed to help protect you and your passengers from harm.

- Pre-Collision System with Pedestrian Detection²⁹
- Dynamic Radar Cruise Control³⁰
- Lane Departure Alert³¹
- Automatic High Beams³²

For more information, visit toyota.com/safety-sense. Feature availability may vary by model grade. See numbered footnotes in Disclosures section.
4RUNNER MODELS

SR5

Includes these key features

4RUNNER ACCESSORIES

This is a great way to add extra personality to your 4Runner. Not every accessory is available in your area, so for a complete list of accessories, go to toyota.com/4runner/accessories.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

- **Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).
- **Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).
- **Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).
- **Emissions:** Coverages vary under Federal and California regulations. Refer to applicable Warranty and Maintenance Guide for details.

**Accessories:** For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

See numbered footnotes in Disclosures section.

## Audio Multimedia

Audio — 8-in. touchscreen, eight speakers, AM/FM radio, Android Auto™, Apple CarPlay® & Amazon Alexa® compatible, USB media port, four USB charge ports, advanced voice recognition, hands-free phone capability and music streaming via Bluetooth® wireless technology, SiriusXM® with 3-month All Access trial subscription, Connected Services™ — Safety Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB within 3-month trial. See toyota.com/audio-multimedia for details.

Audio Plus — 8-in. touchscreen, eight speakers, AM/FM radio, HD Radio™, Android Auto™, Apple CarPlay® & Amazon Alexa® compatible, four USB charge ports, advanced voice recognition, hands-free phone capability and music streaming via Bluetooth® wireless technology, SiriusXM® with 3-month All Access trial subscription, Connected Services™ — Safety Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB within 3-month trial. See toyota.com/audio-multimedia for details.

Premium Audio — 8-in. touchscreen, eight speakers, AM/FM radio, HD Radio™, Android Auto™, Apple CarPlay® & Amazon Alexa® compatible, four USB charge ports, Dynamic Navigation®, with up to 3-year trial, includes Dynamic POI Search and Dynamic Voice Recognition®, advanced voice recognition, hands-free phone capability and music streaming via Bluetooth® wireless technology, SiriusXM® with 3-month All Access trial subscription, Connected Services™ — Safety Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB within 3-month trial, Destination Assist® with 1-year trial. See toyota.com/audio-multimedia for details.

Premium Audio with JBL® Speakers — 8-in. touchscreen, 15 JBL® speakers including subwoofer and amplifier, AM/FM radio, HD Radio™, Android Auto™, Apple CarPlay® & Amazon Alexa® compatible, four USB charge ports, Dynamic Navigation®, with up to 3-year trial, includes Dynamic POI Search and Dynamic Voice Recognition®, hands-free phone capability and music streaming via Bluetooth® wireless technology, SiriusXM® with 3-month All Access trial subscription, Connected Services™ — Safety Connect® with 1-year trial, Service Connect® with 10-year trial, Remote Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB within 3-month trial, Destination Assist® with 1-year trial. See toyota.com/audio-multimedia for details.
Safety and Convenience

Toyota Safety Sense™ P (TSS-P) — Pre-Collision System with Pedestrian Detection (PCS w/PD), Lane Departure Alert (LDA), Automatic High Beams (AHB), Dynamic Radar Cruise Control (DRCC)

Star Safety System™ — includes Vehicle Stability Control (VSC), Traction Control, Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD), Brake Assist (BA) and Smart Stop Technology® (SST)

Driver and front passenger Advanced Airbag System

Eight airbags — driver and front passenger TAP (Thorax, Abdomen, Pelvis) front seat-mounted side airbags, driver and front passenger knee airbags, and front and all row (third-row airbags on all models) Roll-sensing Side Curtain Airbags (RSCA)

Driver and front passenger active headrests

Driver and front passenger seatbelt pretensioners with force limiters

3-point seatbelts for all seating positions; driver-side Emergency Locking Retractor (ELR) and Automatic/Emergency Locking Retractors (ALR/ELR) on all passenger belts

LATCH (Lower Anchors and Tethers for Children) includes lower anchors on outboard second-row seats and tether anchors on all second-row seats

Child-protector rear door locks and power window lockout

Side-impact door beams

Tire Pressure Monitor System (TPMS)

Daytime Running Lights (DRL) with manual on/off feature

Anti-theft system with engine immobilizer

Front and rear parking assist sonar

Packages and Options

Kinetic Dynamic Suspension System (KDSS)

Sliding rear cargo deck with under-floor storage compartment

8-in. touchscreen, eight speakers, AM/FM radio, HD Radio™, Android Auto™ & Apple CarPlay™ & Amazon Alexa™ compatible, USB media port, four USB charge ports, Dynamic Navigation™ with up to 3-year trial includes Dynamic POI Search and Dynamic Voice Recognition, advanced voice recognition, hands-free phone capability and music streaming via Bluetooth® wireless technology, SiriusXM® with 3-month All Access trial subscription — Safety Connect™ with 1-year trial, Destination Assist with 1 year trial. See toyota.com/audio-multimedia for details

Fabric-trimmed 50/50 split fold-flat third-row seat and sliding second row with passenger-side one-touch access to third-row seat

Softex®-trimmed 50/50 split fold-flat third-row seat and sliding second row with passenger-side one-touch access to third-row seat

Leather-trimmed 50/50 split fold-flat third-row seat and sliding second row with passenger-side one-touch walk-in function

Power tilt/slide moonroof with sunshade

Automatic running boards

Running boards

See numbered footnotes in Disclosures section.
50. The Dynamic Navigation three-year-trial period begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. 51. Dynamic Voice Recognition capabilities vary by head unit. 52. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in paid subscription is required to access the service. 53. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply. 55. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 56. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner’s Manual for additional limitations and details. 57. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help reduce the braking distance and assist the driver in bringing the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. Smart Stop Technology® will not prevent a collision or reduce vehicle speed if driver does not apply the brake. See Owner’s Manual for additional limitations and details. 58. Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 59. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner’s Manual for additional limitations and details. 60. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 61. Front and rear parking assist sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the front and rear parking assist sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
