Epic made possible.

The 2021 Tacoma makes your off-road, off-grid adventures possible. Built from the same tough material that’s made Toyota trucks legendary, Tacoma brings capability, tech and confidence to your outdoor adventures. So gear up, get in and get ready to start your next epic adventure.
The power to rule any terrain.

Life is more epic with Tacoma. Equipped with an available 3.5-liter V6, which includes a standard Tow Package, Tacoma can tow up to 6800 lbs.² And the 4-/7-pin connector sits cleanly inside the three-piece bumper, helping you haul your gear out without hitting any snags.

Available 6-speed transmission

If rowing through the gears is more your style, Tacoma offers a 6-speed manual transmission, on certain models, to put control firmly in your hands.

6800-lb. towing capacity

Whatever toys you’ve got, Tacoma’s got the power to bring ‘em along. Its powerful V6 and available Tow Package help it tow up to 6800 lbs.² or carry a payload of up to 1685 lbs.³

Trailer-Sway Control

Included with Tacoma’s available Tow Package, Trailer-Sway Control (TSC)⁴ applies brake pressure at individual wheels and manages engine torque to help maintain control of the trailer.

Part-time 4WD

Choose the drivetrain mode best suited for your adventure of the day. With part-time 4WD, you can easily activate 4WD capabilities with a simple turn of a knob.

3.5-liter V6 direct-injection engine

Tacoma’s available Atkinson-cycle 3.5-liter V6 with direct injection is the perfect blend of efficiency and power, giving you more of everything you want.
Leave limits in the dust.

Designed by the experts at Toyota Racing Development (TRD), the 2021 Tacoma TRD Pro is built to take on the world’s gnarliest terrain. The stuff you want — like an aggressive front fascia, a TRD cat-back exhaust and 16-in. TRD Pro black alloy wheels — all comes standard. Things are about to get a lot more epic.

Rigid Industries® LED fog lights

Designed for an OEM-perfect fit, these Rigid Industries® LED fog lights pack a lot of brightness into a compact package. Rugged construction and a 35-degree wide-angle beam pattern help ensure you have light when, and where, you need it.

TRD-tuned FOX®内部泄漏冲击波

For ultimate performance and control, these shocks feature 2.5-in. aluminum housings; hardened, oversize shafts; and remote reservoirs in the rear. Designed to help provide more ground clearance, maximum damping and fade-free performance, the suspension helps smooth out the rough stuff.

TRD Pro skid plate

A unique TRD Pro skid plate comes standard on Tacoma TRD Pro. Constructed from 1⁄4-in.-thick aluminum, this piece of armor helps protect crucial mechanical components underneath the front end, so you can even go beyond points on the map.
Obstacles don’t stand a chance.

This is where the rubber meets the dirt. With available equipment like an electronically controlled locking rear differential, Crawl Control (CRAWL)\textsuperscript{8} and a Multi-Terrain Monitor (MTM),\textsuperscript{9} Tacoma is ready to take on tough terrain.

Electronically locking rear differential

Tacoma TRD Off-Road’s standard electronically controlled locking rear differential distributes engine power evenly to both rear wheels so they move at the same speed, providing more grip in low-traction conditions.

Crawl Control

When the trail gets challenging, Tacoma TRD Off-Road’s Crawl Control (CRAWL)\textsuperscript{8} is here to help you conquer your off-road adventure. This advanced system automatically modulates the throttle and brakes on five low-speed settings so you can keep your focus on navigating across difficult terrain.

Bilstein\textsuperscript{®} shocks

Available Bilstein\textsuperscript{®10} shocks know how to keep their cool under pressure, delivering consistent performance when the going gets rough. Standard on TRD Off-Road, these shocks help soak up the impacts of the trail, thanks to high-performance components and valving tuned specifically for off-road driving.\textsuperscript{1}

Multi-Terrain Select

Tacoma TRD Off-Road features Multi-Terrain Select (MTS). With five modes to choose from, this system helps regulate wheel spin by automatically adjusting the engine throttle and traction control. When combined with standard Goodyear\textsuperscript{®6} Wrangler\textsuperscript{®12} tires with tough Kevlar\textsuperscript{®13} construction, Multi-Terrain Select helps improve traction dramatically.

Hill Start Assist Control

Tacoma’s Hill Start Assist Control (HAC)\textsuperscript{14} is designed to help you safely get up those hills. This technology helps minimize Tacoma from rolling backward when you move your foot from the brake to the gas pedal, so you can move upward with confidence. (HAC not available on TRD Off-Road 4WD M/T.)
Utility

Carry your boards, bikes and sense of adventure.

Bikes. Boards. You name it. Tacoma’s standard composite bed surface is built to withstand your rough-and-tumble adventure. Its integrated heavy-duty deck rail system makes it easy to tie down gear of all sizes. Now, when action calls, you’ll be ready to go.

Trail Special Edition

Black badging, unique dark gray 16-in. TRD Off-Road wheels and lockable bed storage boxes highlight the adventurous spirit of Tacoma Trail Special Edition. The driver’s-side storage box even includes insulation inside, while Black fabric seats with unique tan stitching raise the bar on each drive.

Composite bed with 120V outlet

Tacoma’s bed is composed of an ultra-durable, fiber-reinforced Sheet-Molded Composite (SMC) surface that boasts a greater impact strength than steel, while an available bed-mounted 120V/400W outlet helps keep the action powered up.

Deck rail system

Tacoma’s bed comes standard with an innovative deck rail system. With four heavy-duty adjustable tie-down cleats, you’ve got the strength and adjustability you need to keep your cargo securely strapped down.

Smart storage

With various hidden, locking storage areas, Tacoma keeps your gear out of the way, out of sight and ready for your next outing.
DESIGN

Raising the bar. Again.

Whether freshly waxed or coated in dust, Tacoma’s good looks impress from every angle. But while it may be tough on the outside, Tacoma is all about comfort and convenience on the inside, with features like a Qi-compatible wireless charging pad.¹⁶

Nightshade Special Edition

Cruise down the street in the new Nightshade Special Edition and show off Tacoma’s dark side. Blacked-out exterior trim, dark smoke 18-in. alloy wheels, exhaust tip and exclusive grille — all add a little more mystery to your adventures.

LED headlights

Tacoma’s available LED headlights use LED elements for both the low and high beams, giving you bright, efficient light when you need it. And since they’re bolted to the front of Tacoma, you can bet that they look awesome too.

Embossed tailgate

Let everyone behind you know who’s in charge. The tailgate features an embossed Tacoma logo that complements the rugged look.

Dual zone automatic climate control

Standard on all V6 models, the dual zone automatic climate control brings more comfort while you’re out on the trails. Adjust the cabin temperature to your and your passenger’s preferences, and the system automatically adjusts the controls to get things just right.

Panoramic View Monitor

Get into and out of that campsite with ease. Tacoma’s available Panoramic View Monitor (PVM)¹⁷ uses cameras on the front, sides and rear of the truck to give you a 360-degree view of what’s going on outside.

10-way power-adjustable seat

Take comfort to new heights. Tacoma features an available 10-way power-adjustable driver’s seat that includes 2-way lumbar support.
Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

Connected Services

Our available suite of Connected Services provides added convenience and peace of mind.18

- **Safety Connect®**
  Emergency SOS assistance and 24/7 Toyota Roadside Assistance.19, 20

- **Service Connect**
  Get personalized maintenance updates and vehicle health reports.21

- **Remote Connect**
  Start, lock/unlock your doors and more, using your compatible smart device.22

- **Wi-Fi Connect**
  Turn your Toyota into a hotspot with 4G connectivity.23

- **Destination Assist**
  24/7 live agent assistance to locate your next destination.24

To view included trial details, please visit toyota.com/connected-services.

Audio Multimedia

Make every drive more personal. By utilizing your vehicle’s touchscreen display and audio multimedia capabilities, you’ll always have access to what you want. Whether it’s listening to your favorite playlist or finding the most scenic route to your destination, you’ll enjoy the latest in connectivity and technologies that are all about you.

Apple CarPlay®

Bring along a familiar face. With Apple CarPlay® compatibility, you can use your compatible iPhone® with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

Android Auto™

Stay connected on the road. By pairing your compatible Android™ phone with the audio multimedia system, Android Auto™ lets you access your Google Assistant, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® All Access 3-month trial subscription

Enjoy listening to what you want to hear. With SiriusXM®, you get the deepest variety of ad-free music, more sports coverage than anywhere else, exclusive talk channels, every kind of comedy, and the most complete news coverage.30

Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

JBL®

Feel the difference and hear the truth. Designed specifically for Toyota, JBL® finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

Feature availability may vary by model grade. See numbered footnotes in Disclosures section.
Peace of mind comes standard.

Toyota Safety Sense™ P (TSS-P) is a bundle of active safety features included on many new Toyota vehicles at no additional cost. TSS-P’s comprehensive features create in-the-moment safety designed to help protect you and your passengers from harm.

- Pre-Collision System with Pedestrian Detection
- Dynamic Radar Cruise Control
- Lane Departure Alert
- Automatic High Beams

For more information, visit toyota.com/safety-sense. Feature availability may vary by model grade. See numbered footnotes in Disclosures section.
SR Available in Access Cab 6-Ft. Bed and Double Cab 5.5-Ft. Bed

Mechanical/Performance
- 2.7-Liter DOHC 16-Valve 4-Cylinder with VVT-i; 159 hp @ 5200 rpm, 180 lb.-ft. @ 3800 rpm; 6-speed automatic transmission
- 3.5-Liter DOHC V6 direct-injection Atkinson-cycle with 278 hp @ 6000 rpm, 265 lb.-ft. @ 4600 rpm; 6-speed automatic transmission
- Rear-Wheel Drive (RWD) or 4WDemand part-time 4WD

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

See numbered footnotes in Disclosures section.
1. The Toyota Tacoma is designed to meet most off-road driving requirements, but off-road driving is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle, and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area 2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have the necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional equipment or equipment that could be added to your vehicle. The maximum you can tow is the Load Carrying Capacity indicated on the label(s) on the driver’s doorjamb. 3. Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 4. Replace chrome rear bumper with color-keyed rear bumper on TRD Off-Road models. 5. JBL® is a registered trademark of Harman International Industries, Inc. 6. Clari-Fi® is a registered trademark of Harman International Industries, Inc. 7. We recommend that you regularly maintain a spare tire. 8. Apple CarPlay® and Siri® are registered trademarks of Apple Inc. 9. Siri® word mark and logos are registered trademarks owned by Apple Inc. 10. To access the service, you must first be paired with a Bluetooth® enabled smartphone. 11. Goodyear® is a registered trademark of The Goodyear Tire & Rubber Company. 12. Wrangler® is a registered trademark of 13. Kefer® is a registered trademark of 14. 15. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. 16. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 17. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details. 18. Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of service and subscription services may apply. Apps and services are subject to change at any time without notice. Terms and conditions of subscription service subscription service agreement apply. See usage precautions and service limitations in Owner's Manual and at Toyota.com/connected-services/ for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. 19. Safety Connect® depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle policy report required to use Stolen Vehicle Locator. Some features may require the Toyota App. Registration required for use of services. Some services may apply only with certain vehicles. Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See Owner's Manual for limitations. 20. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. 21. Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, which can limit system functionality or availability. Service may vary by vehicle and region. Registration required. Service subject to change at any time without notice. Terms and conditions of subscription service subscription service agreement apply. See usage precautions and service limitations in Owner's Manual and at Toyota.com/connected-services/ for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. 22. Use only if circumstances surrounding vehicle and its legal and safe to do so. Using Toyota’s Rear Multi-View Monitor is not intended to substitute for safe driving practices. A rear view mirror is the only source of backup information you should rely on. 23. No-nonsense audio performance requires a compatible iPhone® device. Owners of Toyota vehicles registered with the Owner’s Manual can access JBL® and Clari-Fi® are registered trademarks of Harman International Industries, Inc. 24. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather, and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner’s Manual for additional limitations and details. 25. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See Owner’s Manual for additional limitations and details. 26. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner’s Manual for additional limitations and details. 27. Lane Departure Alert is designed to detect visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. Alert may not detect all lane changes. Use in combination with side rearview mirrors. 28. The Tire Pressure Monitor System alerts the driver when tire pressure is 29. It is designed to help provide optimal ride performance. 30. The backup camera does not provide a comprehensive view of the area of the rear vehicle and you should also look around the vehicle using your mirrors to confirm rearward appearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details. 31. Service Connect depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength, and other factors outside of Toyota's control, which can limit system functionality or availability. Services subject to change at any time without notice. To learn more, go to https://www.toyota.com/audio-multimedia. To learn more about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/.
DISCLOSURES

of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. 48 Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details. 49 Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details. 50 This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. 51 The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 52 The Toyota Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. 53 The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in paid subscription is required to access the service. 54 HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 55 Extra-cost color. 56 Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). 57 Advanced voice recognition capabilities vary by head unit. 58 HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp. 59 Dynamic voice recognition capabilities vary by head unit. 60 Sway Warning is designed to provide a visual and audible alert if it detects a pattern of vehicle movement that might indicate driver inattention or drowsiness. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details. 61 Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 62 Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details. 63 Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details. 64 Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details. 65 Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 66 The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 67 ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. 68 Toyota Remote Connect, the Remote Connect logo (if applicable), the Toyota Remote Connect three-circle logo (if applicable) and the Toyota Remote Connect House logo (if applicable) are trademarks of Toyota Motor North America, Inc. 69 EPA-estimated 20 city/23 hwy/21 combined mpg rating for 2021 Tacoma SR 4x2 4-Cyl. AT and SR5 4x2 4-Cyl. AT; 19 city/22 hwy/20 combined mpg rating for 2021 Tacoma SR 4x4 4-Cyl. AT and SR5 4x4 4-Cyl. AT; 19 city/22 hwy/21 combined mpg rating for 2021 Tacoma SR 4x2 V6 AT, SR5 4x2 V6 AT, TRD Sport 4x2 V6 AT, and Limited 4x4 V6 AT; 18 city/21 hwy/20 combined mpg rating for 2021 Tacoma SR XSR 4x2 V6 AT, SR5 4x2 V6 AT, TRD Sport 4x2 V6 AT, and Limited 4x4 V6 AT; 19 city/22 hwy/20 combined mpg rating for 2021 Tacoma TRD Sport 4x4 V6 MT, and 17 city/20 hwy/18 combined mpg rating for 2021 Tacoma TRD Off-Road 4x4 V6 MT and TRD Pro 4x4 V6 MT. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with optional equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. Toyota Tacoma is designed to meet most off-road driving requirements. Abuse use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receiver/ball mount kits are not intended to provide crash protection. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
