EYES ON THE ROAD. It’s about safety, convenience and technology. The available Head-Up Display (HUD) projects important stats like mph, incoming calls and turn-by-turn navigation directly on the windshield. The information displayed is fully customizable.
BUILT FOR WORK, PLAY AND EVERYTHING IN BETWEEN

CAPABILITY.
Bring on your big jobs and huge payloads. Ram 1500 offers eTorque technology, multilink coil spring rear suspension and available class-exclusive Active-Level™ Four Corner Air Suspension. It can also haul up to 2,300-lb max payload.†

SAFETY/SECURITY/COMFORT.
Comfort doesn’t just come from spacious, up-to-six-person seating; it also comes from peace-of-mind, available technology like LaneSense® Lane Departure Warning Plus; and Blind Spot Monitoring (BSM)™ with Rear Cross-Path and Trailer Detection.†
ADVANCED AIR BAG TECHNOLOGY.
The six standard air bags help provide protection and peace of mind to vehicle occupants. In the event of a front-end collision, the front air bags feature adaptive venting technology, opening a vent within the air bag cushion that adapts to the occupant size and severity of the crash.

SIDE-IMPACT DOOR BEAMS.
The robust beams built into every Ram 1500 help reinforce protection against side impacts.

HIGH-STRENGTH STEEL.
The frame takes the concept of durability to extremes. 98 percent of the steel used in the frame is high-strength steel.

FRONT FRAME RAIL SECTION.
In the event of a frontal offset collision, dynamic front crumple zones with front splayed frame rails and tire blockers help protect against cab intrusion.

LARGEST BRAKES IN ITS CLASS.
At nearly 15 inches in diameter, the front and rear rotors are built for superb stopping.

SMART SHOCKS.
Frequency Response Damping (FRD) shock absorbers adapt to varying surfaces and driver demand.

PROGRESSIVE-RATE REAR SPRINGS.
They automatically adapt to payload while helping maintain a level profile and superb ride quality.

CLASS IV HITCH RECEIVER.
Trailering is part of Ram DNA. The available class IV hitch receiver helps make it happen.

REAR-AXLE THERMAL MANAGEMENT SYSTEM.
This available technology controls lubricant viscosity—a real contribution to the impressive efficiency.
OUR TECHNOLOGY HELPS YOU MOVE WITH CONFIDENCE

BLIND SPOT MONITORING (BSM)® WITH REAR CROSS-PATH AND TRAILER DETECTION®: This available system scans the blind-spot zones beside and behind the vehicle to help ensure trailer safety during maneuvering while automatically sensing and accounting for the length of the trailer.

PEDESTRIAN AUTOMATIC EMERGENCY BRAKING (PAEB): Radar technology is used to help determine if a collision between the vehicle and a pedestrian appears imminent. If so, the Forward Collision Warning with Advanced Brake Assist® activates the vehicle’s brakes. Available.

LANESENSE® LANE DEPARTURE WARNING PLUS®: If you begin to drift from your lane, the available LaneSense Lane Departure Warning Plus® helps keep you in your lane by warning you visually and adjusting your steering.

SMART CRUISING: Available Adaptive Cruise Control with Stop & Go® detects vehicles ahead. If increased braking is needed in slower traffic, the available Forward Collision Warning with Advanced Brake Assist® automatically helps adjust to a safe distance.

GUIDED PARKING: Available Parallel and Perpendicular Park Assist® provides active guidance when parking. The guidance system directs you to engage the gear position, brake and accelerator while it automatically controls steering.
12,750 REASONS TO TOW WITH RAM 1500
HITCH UP, HEAD OUT. The available 360° Surround-View Camera System\(^1\) and Trailer Camera Prep allow for up to two cameras to be positioned on or within the trailer. You’ll get a full view of the truck’s surroundings which takes the guesswork out of trailer hookup. The tailgate light provides illumination for easy trailer hookup in the dark. Opt for the new available 360° Trailer Surround-View Camera System\(^1\) feature that provides a 360° bird’s-eye view of the trailer, eases vehicle/trailer maneuvering by providing enhanced visibility of trailer surroundings and aids when backing up a trailer in tight spaces. The available Active-Level™ Four Corner Air Suspension automatically lowers the vehicle at highway speeds to help with drag and offer maximum efficiency. The lowering capability can also help with accessing the bed and cab, entering parking garages and hitching a trailer.
CONVENIENCE OF TECHNOLOGY. Self-calibrating, available Trailer Reverse Steering Control (TRSC) automatically assists with backing up a trailer by turning the truck wheels in the proper direction. Just twist the knob in the direction you want the trailer to go. The available digital rearview mirror uses an LCD monitor to display real-time video that helps with the driver’s view behind the vehicle. If a trailer tire becomes low, the available Trailer Tire Pressure Monitoring System will alert the driver. The unique pressures for up to six trailers/RVs can be programmed into the system.
6.2L SUPERCHARGED HEMI® V8 ENGINE

702 HP | 650 LB-FT | 4.5 SEC

FIERCELY POWERFUL, EXTREMELY CAPABLE

Only available on the Ram 1500 TRX, the legendary 6.2L Supercharged HEMI® V8 engine ensures this monster can charge from 0–60 mph in just 4.5 seconds. The supercharger provides near-instantaneous torque, has a maximum speed of 14,600 rpm and produces 11 psi of boost.

5.7L HEMI V8 ENGINE WITH eTORQUE

The available 5.7L HEMI V8 engine with the eTorque Mild Hybrid Technology System blends performance-enhancing and efficient technologies with the addition of an available extra 130 lb-ft of supplemental torque.

395 HP • 410 LB-FT • 12,750-LB MAX TOW

5.7L HEMI V8 ENGINE

The available and renowned 5.7L HEMI V8 engine offers the legendary power and capability you’ve come to expect from the HEMI name.

395 HP • 410 LB-FT • 11,590-LB MAX TOW

3.6L PENTASTAR® V6 ENGINE WITH eTORQUE

The 3.6L Pentastar® V6 engine with eTorque uses advanced technologies like wide-range Variable Valve Timing and two-step variable valve lift to deliver power and efficiency. The eTorque motor also provides an available extra 90 lb-ft of supplemental torque.

305 HP • 269 LB-FT • 7,700-LB MAX TOW

3.0L ECODIESEL V6 ENGINE

Powerful and efficient, the available 3.0L EcoDiesel V6 engine achieves 480 lb-ft of torque and a towing capacity of 12,560 lb.

260 HP • 480 LB-FT • 12,560-LB MAX TOW
GO WITH THE FLOW. A long crew cab, muscular fenders and a sleek roofline direct airflow back to the rear spoiler to help reduce drag for better aerodynamics. The available Active Air Dam automatically deploys at 30 mph to help reduce aerodynamic drag, which contributes to maximum efficiency. Available Active Grille Shutters instantly adapt to speed, load and engine needs to provide ideal engine cooling while also reducing aerodynamic drag. Even the aluminum tailgate spoiler contributes to the aerodynamic efficiency.
THE PERFECT BED
FOR THOSE WHO REFUSE TO REST

Shown with available Mopar® Accessories.
STEEL DEPLOYABLE BED STEP. Foot-controlled for use or to tuck it back under the bed. Available.

DAMPED TAILGATE. Available power release lets you open it with the key fob button or via the overhead console.

MULTIFUNCTION TAILGATE. It has everything a traditional tailgate has, plus split-door flexibility. The 60/40-split, swing-away doors give quick access to the cargo bed without having to lean over a traditional tailgate—even while trailering. When the job calls for it, the multifunction tailgate provides a traditional tailgate that easily handles up to 2,000 lb. Available.

BED UTILITY GROUP. Offers a cargo rail system with four adjustable tie-down loops, a deployable bed step and, if equipped with available RamBox® System, a bed divider. Available.

IN-BED LED LIGHTING. Controlled by a switch or activated when the unlock button on the key fob is pushed. Available.

SHEETS FIT. The available RamBox System provides additional enclosed storage, while the bed still accommodates standard 4x8-foot sheets of building materials.

THE DETAILS MAKE THE DIFFERENCE

48.1"
CLASS-EXCLUSIVE AVAILABLE RAMBOX CARGO MANAGEMENT SYSTEM: Efficiency isn’t just for performance; it’s built into everything we do, including storage. The available RamBox Cargo Management System boasts storage bins that are weatherproof, lockable, drainable and equipped with downward-facing illumination plus a 115-volt power outlet in the driver-side bin.
THE ALL-NEW UCONNECT® 5 SYSTEM OFFERS EVEN MORE AVAILABLE CONNECTED SERVICES AND FEATURES OVER THE PREVIOUS GENERATION. THE RESULT IS ENHANCED EASE OF USE FOR BOTH NOVICE AND EXPERT USERS ALIKE.

AVAILABLE UCONNECT 5 NAV RADIO helps keep you informed and entertained. An available 12-inch touchscreen integrates with your smartphone, thanks to Apple CarPlay®17 support and Android Auto™18. The available 4G LTE WiFi Hotspot19 allows you to connect up to eight devices.

WITH AMAZON ALEXA BUILT-IN20 for the Uconnect 5 radio in your vehicle, you can have the convenience of the Alexa features you enjoy at home, now on the go.

ALL THE INFO YOU NEED

TOMTOM NAVIGATION AND TOMTOM TRAFFIC & TRAVEL SERVICES. Delivers accurate, real-time traffic information integrated into the available Uconnect 5 NAV system. Thanks to real-time traffic information, the navigation system formulates precise routes and provides accurate arrival times. TomTom Navigation for Ram 1500 provides the most up-to-date maps with automatic over-the-air map updates. TomTom’s Traffic & Travel Services—including Real-Time Traffic, Speed Camera Alerts, Parking Finder, Dynamic Range Mapping with Low Fuel Alert, Gas Station Finder and Fuel Pricing, and Weather—provide drivers with reliable, timely information to help get them where they are going.

SIRIUSXM® WITH 360L21 makes it easier than ever to find and enjoy listening to over 200 channels and 10,000 hours of on-demand content (a six-month trial is included with your Ram 1500).

APPLE CARPLAY® support makes wireless in-vehicle iPhone® use easy and safe. Your call: use the touchscreen or Siri.® Available.

ANDROID AUTO™ wirelessly connects your Android™ phone to get help from Google in your car. Available.
Uconnect® brings a wide range of interactive features to your vehicle and beyond through a highly intuitive communication experience. Trips are enhanced with informative and entertaining apps. Access them on your Uconnect touchscreen as well as your smartphone. Listen to your favorite playlist from your connected device, then flip to SiriusXM® Radio® and enjoy the best commercial-free music, plus every major sport and the biggest names in entertainment, news and comedy. You’ll get over 150 channels, all at the press of a button. With the SiriusXM Platinum Plan, you get every channel available on your SiriusXM Radio® and you can also listen wherever you go on your portable devices with the SiriusXM App, which is included with your trial. Available. Drive worry-free with a premium suite of safety and convenience services that can be accessed in-vehicle or through the Ram App. Available. Download the Ram App and access it directly on your Apple Watch.
THE POWER HAS SHIFTED
A DIFFERENT LEVEL OF CAPABILITY. TRX was designed to be the ultimate high-performance, sandstorming full-size pickup. Bilstein® Black Hawk® e2 active damping shock absorbers maximize handling, comfort and bottom-out resistance on high-speed sand runs. Intense power comes from the SRT® developed 6.2L Supercharged HEMI® V8 with the TorqueFlite® 8-speed transmission. The robust 35-inch Goodyear Wrangler® Territory All-Terrain tires offer control and stability in shifting conditions.
PERFORMANCE-FOCUSED. The 6.2L Supercharged HEMI® V8 unleashes 702 hp and 650 lb-ft of torque. TRX delivers a 4.5-second 0-60-mph time and a top track speed of 118 mph. The Performance Hood boasts a functional air intake that feeds into two 12x8-inch air filters.
BUILT TO DELIVER
SATURDAYS TO REMEMBER
Whether used for work or for play, Tradesman brings mighty engine options to the table—a 3.6L Pentastar® V6 Variable Valve Timing (VVT) with eTorque, an available 5.7L HEMI® V8 Multi-Displacement System (MDS) VVT, available 5.7L HEMI V8 MDS VVT with eTorque and available 3.0L EcoDiesel V6 (Quad Cab® 4x2 only)—all mated to the proven 8-speed automatic.

For a bigger style boost, opt for the available Chrome Appearance Group that includes a chrome grille surround, chrome bumpers and 18-inch aluminum wheels. Available cloth 40/20/40-split bench seats make it the perfect ride for both the worksite and the next big road trip.

You’re always up for a good time, and so is Rebel. This half-ton truck is ready to kick up some dirt with a muscular Sport Performance Hood, LED fog lamps, LED reflector headlamps and LED taillamps. Its capability includes 33-inch tires, lifted suspension, a formidable V6 engine and a Class IV hitch receiver.

Inside, three seating color/material combinations are available, including Black and Ruby Red with unique cloth mesh inserts. Laser-ingrained machine-finished accents in Dark Ruby Red are found throughout the cabin, while a Rebel specific cluster continues the bold flavor of this truck. But don’t let the looks fool you; Rebel also has a soft side. Opt for available heated front seats, a heated steering wheel, power driver and front-passenger seats with power lumbar adjust, and new Uconnect® 5 NAV multimedia center with 12-inch touchscreen display.

SHOW-OFF STYLE.

A chrome grille surround with chrome billet inserts, chrome mirror caps, chrome inserts on the door handles and body-color wheel flares are some of the first things you might notice about the bold Laramie style. Or it could be the striking LED headlamps and pushed-to-the-corner LED fog lamps. Maybe it’s the aluminum tailgate with damped opening assist and a standard Class IV hitch receiver that catch your eye. Whatever it is, Laramie turns heads.

The interior is filled with premium touches, including leather-trimmed, suede-accented seats, a six-gauge, 7-inch color reconfigurable cluster, Uconnect® 5 multimedia center with 8.4-inch touchscreen display, leather-wrapped steering wheel, wood-trim accents and premium overhead console for starters. Opt between a standard front bench or available front bucket seats and available reclining rear seats.*

LIMITED | LUXURY PERSONIFIED

CULMINATION OF REFINEMENT.

Limited models stand out with a robust corrugated mesh grille, gleaming chrome accents and power running boards. Ram Truck functionality and style are hinted at by the Active-Level™ Four Corner Air Suspension and hearty 20-inch wheels.

The interior showcases extensive use of genuine wood, metal and leather. Standard features include a reconfigurable center console, the Uconnect® 5 NAV multimedia center with 12-inch touchscreen display and split-screen capability, a 7-inch reconfigurable electronic cluster, heated/ventilated front and heated rear seats, and many more convenient features like a rear-seat fold-down center console.

FOCUSED ON TECH AND CAPABILITY.

Ram 1500 TRX forges its own path with a 702-hp 6.2L Supercharged HEMI® V8 engine, a high-performance exhaust and upgraded components. A menacing grille, functional air intake scoop and flow-through Ram badge ensure there’s unobstructed airflow to the engine. Wide fenders and integrated amber marker lamps create a bold signature look.

Inside, TRX is outfitted with performance-minded high-bolster seats with available Modular Lightweight Load-Carrying Equipment (MOLLE) storage system on front seatbacks. The flat-bottom steering wheel is built for skilled driving. TRX only Black Onyx trim rings and unique overlay colors enhance the cluster display, while an illuminated TRX badge in the cluster reminds you of the power you’re piloting.
**POWERTRAIN**

[ALL POSSIBLE PAINT COMBINATIONS AT RAM.COM](#)
When it comes to your 2022 Ram 1500, not all parts and accessories are created equal. As the official service, parts and customer care provider for the Ram Brand, only Mopar® Parts and Accessories can ensure the proper fit, finish and functionality. That’s because they’re original equipment, engineered by the same people who designed your vehicle, which means you can customize your truck with complete confidence.

Mopar is also more than parts and accessories. We’re here to help you properly maintain and care for your vehicle. Our certified technicians are trained to know your vehicle best, and our Mopar Express Lane service departments are set up to get you in, out and back on the road again. From parts and accessories to expert service and more, always be sure to choose Mopar.

---

Notes regarding the payload and towing charts above: numbers in black boxes reflect max ratings. 1. Payload and Max Trailer Weights are ESTIMATED values. 2. All weights are shown in lb unless otherwise stated. 3. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. 4. Payload + SWV = Base Weight. 5. Trailer Weight Rating (TWR) and Tow Hitch Payload Rating are calculated as specified in SAE J2807. Passenger Weight + 300 lb. Options Weight is option content above 20 percent of sales volume. 6. The maximum tongue weight for the Class 3 Hitch receiver is limited to 1,500 lb. 7. Weight Distribution Hitch is recommended for trailers over 5,000 lb. 8. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. 9. Weight-Distributing Hitch is recommended for trailers over 5,000 lb.
BORN UNDER THE RAM LOGO. Drive a pickup with total street cred—and then take it to the next level. Here is where you'll find an exclusive collection of the useful, the cool and the stylish—from clothing and caps to coolers and tools. Make the Ram identity part of your everyday lifestyle.

OFFICIAL BRANDED MERCHANDISE SITE
Ram.com/Outfitter

Ram Truck owners view their trucks as more than transportation, but as an extension of themselves. Check out an exclusive line of gifts and accessories for the Ram Truck enthusiast. From authentic apparel to rugged work gear, as well as electronics and office supplies, all lifestyle items are as distinctive as your Ram Truck.
